Chairperson's reflection on 2025 and priorities for 2026

On behalf of the Branch Leadership Team (BLT), I want to take the time to thank you for your steadfast support, encouragement and commitment to Forth Valley Disability Sport.

2025 – 2026 has been a year not without challenge, but as I wrote almost a year ago to the day, I believe all good organisations embrace change, dream big and most importantly, put people and relationships at the heart', something we have had the chance to build on this year.

We have significant staffing change, with our previous coordinator moving on to a post with Active Schools in Fife, and we wish her well.

**TRUSTEES' ANNUAL REPORT (continued)
FOR THE YEAR ENDED 31 DECEMBER 2025**

Chairperson's reflection on 2025 and priorities for 2026 (continued)

Daniel Rooney joined us in August of last year, starting full time during the August-October school term and we were delighted to have him on board. The recruitment process was our most thorough to date, including a selection panel of 4, a scenario room with presentation and Q&A, supported by representatives from Scottish Disability Sport SMT, alongside members of our committee and partners. Our new staff structure is as follows:

FVDS Branch Coordinator	Mr Daniel Rooney
New FVDS Physical Activity Officer	Mr Patrick Allan

Our Branch Leadership Team is now comprised of:

Chairperson (inc. HR Lead)	Mr Forbes Maginnis
Vice Chairperson (inc. HR Support)	Mrs Kerry Wood
Treasurer	Dr Alistair Apedaile (Supported by Alan McGuire)
Secretary	Mr Alan McGuire (Supported by Forbes Maginnis)
Safeguarding Officer	Mr Gerry McMenemy

In our continued drive to be an organisation who are future proofed, we have now moved all systems over to cloud-based IT – all BLT members have their own FVDS technology, with shared drives for all information. Our banking is now fully digital, and we have invested in systems for accounting and finance, and are working with an accounting partner for payroll and PAYE systems to ensure that we are both OSCR compliant and also agile to any external scrutiny.

For the second consecutive year, Forth Valley Disability Sport are now **completely free of charge** for all participants, supporters and families at point of access. This is thanks to the ambitious leadership of the BLT and the continued commitment of our wonderful staff and volunteers. We are committed to continuing this, despite financial challenges, to do the best for our participants and volunteers. We are committed to removing barriers for people with disabilities as we work to ensure we **enhance life chances** for those who we have the privilege of working alongside.

We are in year 2 of funding from the National Lottery Young Start programme – and without their support we would not be able to function as a branch with the staff team that we have. We are committed to improving funding streams, and this will be a key focus of our BLT in 2026 - 2027. Our treasurer has costed an affordable and efficient model to recruit a Finance Office (Job Title TBC) to work alongside us in 2026 and their sole focus will be on FVDS' finances.

**TRUSTEES' ANNUAL REPORT (*continued*)
FOR THE YEAR ENDED 31 DECEMBER 2025**

Chairperson's reflection on 2025 and priorities for 2026 (*continued*)

We have a new 3 year Branch Improvement Plan and Summary, with renewed vision, values and aims which continue to guide us. We have also, across 2025 – 2026, appointed our own staff which we now host internally as we, unfortunately, did not have the flexibility within the previous agreement with Falkirk Council to change staffing hours, structure, salary or Ts and Cs in a way that worked for the branch. We are delighted to be offering **more sessions** than we were under the previous hosted arrangement – so the only way is up!

We have exciting plans and an appetite for continued improvement. We must be the change we wish to see, and we must continue to have the young people and adults we are privileged to work with, at the heart of what we are aiming to achieve, at #TeamFVDS, we believe, we #INSPIRE and we look forward to continued partnership working. It is an exciting time for disability sport in Forth Valley as Clackmannanshire Council embark on an ambitious build in their 'Wellbeing Hub and Lochies School', which will not only be the largest Passivhaus structure of its kind in Scotland, but also designed with accessibility as an anchor – not an add on – not an afterthought – right at the heart of design, and FVDS are delighted to have been part of this journey. Stirling are also refreshing The Peak and we look forward to seeing the outcome, in terms of inclusion and facilities, that this revamp brings.

There will be challenges ahead – but we have a good team, and an ambition to 'be the best'. Structural change within Scottish Disability Sport mean that our BLT and Committee may have increased commitments and we may need to scale back some of our ambition, in the short term, but this will be for the greater good in the longer term.

We are also looking to forge new partnerships, potentially new formal working agreements with partners and hopefully, seek out new funders! #TeamFVDS are committed to doing the best for the organisation, and we are keen to speak to anyone who wishes to partner with us. Our non-negotiable is that partnerships **must** reflect our INSPIRE values, they **must** have relationships at the centre and they must be mutually beneficial. As Chairperson, I will be reminding any prospective partners that we are led by volunteers, our core team are volunteers, our sessions are free of charge, and we often hire in external expertise (in order to provide a high quality free of charge service), and any agreements must support this.

Looking to 2026, our ~~next~~ steps are:

- Refreshing our committee structure with reimagined roles
- Implementing a fund raising officer to support financial sustainability
- Creating a finance team **to** safeguard the branch
- To improve our communication, social media presence and partnerships.

We would love to have you on ~~board~~ – if you can help, get in touch!

**INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF FORTH VALLEY DISABILITY SPORTS ASSOCIATION**

I report on the financial statements of the charity SC024362 for the year ended 31 December 2025, which are set out on pages 8 to 11.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 ("the 2005 Act") and the Charities Accounts (Scotland) Regulations 2006 (as amended) ("the 2006 Regulations"). The Charity's Trustees consider that the audit requirement of Regulation 10(1) (d) of the 2006 Regulations does not apply. It is my responsibility to examine the accounts as required under section (44)(1) (c) of the 2005 Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:-

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Regulations have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Achievements and performance

Forth Valley Disability Sport (FVDS) has had a hugely successful 2024 – 2025 and we are delighted that you are taking the time to read through our Accounts and Financial Statement, and we hope that you are doing so 'real-time' at our #TeamFVDS Annual General Meeting and Awards for 2024 – 2025.

**TRUSTEES' ANNUAL REPORT (continued)
FOR THE YEAR ENDED 31 DECEMBER 2024****Achievements and performance (continued)**

Our Branch Leadership Team formed of Chairperson, Vice Chairperson and Treasurer remain as [REDACTED] [REDACTED] respectively.

At the last Financial Review, AGM and Awards we reported that [REDACTED] has overhauled the systems and processes to ensure that we are more efficient and effective as an organisation. We have now moved the organisation from analogue to digital, as we now are operating in a 21st century manner, with our policies, procedures and processes digitised. This includes our operational and strategic work, as well as most recently, our digital banking processes.

At our AGM last year, I spoke of an ambition and an appetite for change – specifically around an ambition for equity and inclusion, and my unfaltering belief that participation in disability sport should not have financial barriers. We aimed for 25% of activities (Year 1), 50% of activities (Year 2) and 100% activities (Year 3) to be fully funded so there was no cost to participants. I am delighted to inform you that we achieved 100% of this goal by the end of 2024, thanks to strong funding support from partners. Specifically, as Chair, I had the privilege of working alongside the Round Table, presenting an ambitious pitch for local support – this, combined with our Coordinator working with Secondary Schools on Youth Philanthropy Initiative (YPI), we are now offering activities in Clackmannanshire, Falkirk and Stirling free of charge.

Financially, we were delighted when 6 months of hard work around an ambitious funding bid to National Lottery's Young Start fund paid off, as we were awarded £95,000 – 100% of our requested funds. This has secured our coordinator position from 2024 – 2027 and has allowed us to further enhance our organisation by appointing a Physical Activity Officer from 2024 – 2027 to deliver additionality, and critically, allow our coordinator strategic time to further develop our organisation.

We have a new 3 year Branch Improvement Plan and Summary, with renewed vision, values and aims which will guide us through the next 12 months and beyond. We have exciting plans and an appetite for continued improvement. We must be the change we wish to see, and we must continue to have the young people and adults we are privileged to work with, at the heart of what we are aiming to achieve, at #TeamFVDS, we believe, we #INSPIRE and we look forward to continued partnership working.

There will be challenges ahead – the financial climate remains challenging, there are 'issues' around the new Disclosure Processes and we, at the moment, have more ambition than we can staff ... but we will get there!

Looking to 2025, we aim to have a refreshed constitution, a refreshed committee structure and further enhance partnerships with Clackmannanshire, Falkirk and Stirling Councils, as well as our other partners. If you can support FVDS, please get in touch with any of our Branch Leadership Team.

Financial review

During the year ended 31 December 2024, the trustees raised £91,231 (2023 £22,714) from donations, grants and other fundraising activities and expended £50,946 (2023 £56,428). This resulted in a surplus of £40,285 compared to a deficit of £33,714 in the previous year.
