Activities

Activities: 'It makes grants, donations or gifts to organisations', 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of health'

What the charity does: The PBC Foundation is the only UK organisation exclusively dedicated to providing support and information to those affected by Primary Biliary Cholangitis, a rare, progressive and autoimmune liver condition with no known cause or cure. We apply to grant making bodies and trusts, undertake fundraising and receive donations to help us provide information and support services to those living with the condition.

Beneficiaries: 'People with disabilities or health problems'

Objectives: The relief of persons suffering from the condition known as Primary Biliary Cholangitis by the setting up and organisation of support groups for the benefit of such persons and their families and by the provision of information about the condition and its treatment.

Geography

- **Main operating location:** City of Edinburgh
- **Geographical spread:** UK and overseas
