BLAIRS COLLEGE CHAPEL TRUST

TRUSTEES REPORT

The Trustees submit their report and the financial statements for the year ended 31 March 2025.

Objectives and Activities

The objective of the Trust is to provide for the maintenance, upkeep, preservation, extension if required, renovation and repair of the Roman Catholic Church building, known as St Mary's Chapel, Blairs in the parish of Maryculter, Aberdeen, Scotland and for all other purposes in connection with the church building for so long as it remains a place of Catholic Worship.

Achievements and Performance

During the year ongoing minor works took place to maintain the building in a wind and watertight condition. Necessary testing was carried out to keep the electrical wiring and portable equipment certified as well as annual testing of the Fire Alarm to ensure compliance with safety and insurance requirements.

Financial Review

Policy on Reserves

The Trustees hold the trust fund and the income thereof to pay out all costs, charges and expenses properly incurred by the Trustees in or about the administration of the Trust.

Future Plans

The Trustees will continue to look at various options open to the Trust to ensure it has sufficient funds to continue, now that regular contributions made by both the parish of St Mary's and the Blairs Museum Trust towards the running costs of the chapel have ceased.

The Trustees are in discussion with third parties with the aim of securing the future of the chapel.

Trustees

The trustees are the following office holders of the Roman Catholic Diocese of Aberdeen:

Bishop	- Right Reverend Hugh Gilbert OSB.
Vicar – General	- Very Reverend Domenico Zanre
Procurator	- Anthony Layden CMG

The Very Reverend James Bell retired from his role as Procurator of the RC Diocese of Aberdeen on 29 February 2024.

Structure, Governance and Management

Governing Document

The Trust commenced on 1 July 1995 and is governed by the Trust Deed dated 1 July 1995. The Trust is a registered Scottish charity, number SC025728.

Recruitment and Appointment of Trustees

The Trustees are ex officio office holders of the Roman Catholic Diocese of Aberdeen.

Trustee Induction and Training

When new trustees are appointed, they are given an introduction to the work of the trust and provided with the information they need to fulfil their roles, which includes information about the role of trustees and charity law. The existing trustees have experience of being charity trustees and any new trustee who lacks experience as a charity trustee is given additional training on the role of trustees and charity law.

TRUSTEES REPORT (CONT'D)

Structure, Governance and Management (cont'd)

Organisational Structure

The Board of Trustees oversees the Trust's activities, while day-to-day decisions are delegated to the local group convened by the parish deacon.

Risk Management

The major strategic, business and operational risks applicable to the Trust have been reviewed and the Trustees confirm that systems are in place to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

The main risk identified again this year by the Trustees related to the lack of funding for the trusts ongoing activities. Consequently, the Trustees continue to look at the options open to the Trust to secure its future.

Trustees Responsibilities

Law applicable to charities in Scotland requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the year end. In preparing financial statements giving a true and fair view, the trustees should follow best practice and: -

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time, the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law, regulations and the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
BLAIRS COLLEGE CHAPEL TRUST

I report on the Accounts of the charity for the year ended 31 March 2025 which are set out on the following pages.

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the Accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the Accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the Accounts presented with those records. It also includes consideration of any unusual items or disclosures in the Accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the Accounts.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulationshave not been met; or
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO FINANCIAL STATEMENTS **FOR YEAR TO 31 MARCH 2025**

1. BASIS OF PREPARATION

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements are prepared in sterling which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared on the going concern basis. This assumption is based upon assurances received from the trustees that it is the intention for the controlling party, the Roman Catholic Diocese of Aberdeen, to provide such assistance as is required to enable the trust to meet its financial commitments as and when they fall due. If the trust were unable to continue as a going concern, adjustments would have to be made to reduce the value of the assets to their recoverable amount and to provide for any further liabilities that might arise.

2. ACCOUNTING POLICIES

Heritable Property

The heritable property as detailed in Note 3 has not been included in the accounts. The building is a historic asset which has no ascertainable cost or market value, and the building is not held for use by the charity but is held in trust for the Roman Catholic Diocese of Aberdeen.

Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Gifts in kind are included at valuation, where this is possible.

Resources Expended

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings, they have been allocated to activities on a basis consistent with use of the resources.

Charitable activities costs are those which directly enable the charity to provide its service. Governance costs are costs incurred which do not directly relate to the charities service.

Fund Accounting

The funds of the charity are held in an Unrestricted General Fund which are used in accordance with the trust's objectives at the discretion of the trustees.

Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount.
