OBJECTIVES AND ACTIVITIES

The objects of the charity are:

- 1) to advance the education of young people aged between 12 and 25 years of age, who live or work in Selkirk and surrounding settlements, by developing their physical, mental and spiritual capacities so that they may grow to full maturity as individuals and members of society, without distinction as to race, ethnicity, gender, sexual orientation, ability, faith, political or religious beliefs.
- 2) to improve the conditions of life for young people in Selkirk and surrounding settlements by the provision of a leisure and recreational facility for the purpose of youth work.

ACHIEVEMENTS AND PERFORMANCE

This year has been another exciting time filled with opportunities for young people here at Rowlands.

Our staff team of Sue our Stepping Stones worker and Emily our youth worker continue to provide great opportunities for young people across the whole year. Thanks to Rhona our administrator to help with the organising of our back of house systems for coming on board as our administrator to help with the organizing of our back of house systems to make our everyday easier. Thank you and good luck to Alex who has left us to go to pastures new in Edinburgh. Thanks also to Susan our manager who works hard to support the staff team to have the resources and support that they need to have the best outcomes for the young people of Selkirk and surrounding areas.

We continue to work closely in partnership where possible with the high school and the new Transitions programme where we welcomed over 82 Primary 7's into Rowlands - thankfully though never all at the same time and this year for the first time we held a family fun day for all parents of P7 pupils where they got to take part in activities and meet our team.

Our school holiday programme continues to be well attended with a variety of home and away activities including, Edinburgh Lazer Combat, Bowling, A trip to the Edinburgh Carnival and we made our own TV advert in the Sky TV studios in Edinburgh. We have also doubled up with Beyond Earlston for bubble football and a beach trip to Coldingham Bay.

To support our partnership in the town we have taken a stall at the monthly farmers market and we partnered with the Souter Stormers to contribute our own crocheted own beehive as part of the display around town and the Haining. We've also had Sustainable Selkirk coming in to deliver a workshop on the Earth Hour program and we have in turn assisted in their October energy event providing Teas and Coffees.

We'd like to thanks all of the volunteers who help support the work of Rowlands – if this is through volunteering on our board of trustees to oversee the organization and make sure we are financially secure as well as the volunteer team who make themselves available to help and share their time and skills with the drop ins, our food redistribution on a Thursday and other group work.

A big thanks to our Youth committee of 4 members who have helped us with fund raisers and events, in and around Rowlands.

We continue to apply for funding to keep the lights on and the doors open and we are thankful for the investment this year from National Lottery Community Fund, Scottish Borders Council and Stepping Stones. From this investment we have been able to work alongside young people to develop the makers space to incorporate and bring together the 3d printing, media work and our Printersuarus which is our social enterprise where you can print a variety of items to order.

Although we don't directly deliver, we support the LGBT Youth Scotland and heroes of games night to provide more youth work opportunities here in our building.

We are forever grateful to those who donate a monthly amount to us. This money goes into our group work fund enabling us to purchase items to provide a variety of opportunities throughout the year. and we welcome any other contributions of financial donations or support to enable us to enrich our opportunity to young people

In the year ahead, we look forward to further development of all our existing projects extending our reach and including our membership.

We are always interested in meeting new people who can support us and give new opportunities to young people. If you want to find out more about what happens her at Rowlands and how you might get involved, feel free to dop by or have a look at our facebook and social media pages.

We are forever grateful to those who donate a monthly amount to us. This money goes into our group work fund enabling us to purchase items to **provide a variety of opportunities** throughout the year. We welcome any other contributions of financial donations or support to enable us to enrich our opportunity to young people.

The Weir Trust has enabled us to look further into sharing our opportunities through 'Car in the Community', which goes to where young people are rather than expecting them to come to us. We have also expanded this to the wider community and have went out in the streets with some well 'kent' faces and partner organisations to promote additional work and services available in our community.

We continue to apply for funding to keep the lights on and the doors open and we are thankful for the investments this year from the Awards for All, Scottish Borders Council and the Weir Trust. Respective responsibilities of Trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. The charity trustees consider that the audit requirement of Regulation 10(1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention other than disclosed below

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44 (1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulations have not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
