Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the prevention or relief of poverty', 'the advancement of health', 'the advancement of citizenship or community development', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended'

What the charity does: 3D Drumchapel journeys with children (0–12 years) & their families in Drumchapel to build strong foundations for families to thrive. We focus on strengthening family relationships, supporting positive attachment, improving family health & wellbeing and supporting children's development. Our services include a Perinatal Programme. Parent & Child Play Programme. Parenting Programmes. Peer Support Groups. Family Support in local primary schools. One-to-one Support. Bairn Necessities redistributing good quality children's goods. Volunteering Opportunities & Practical Support. We lead the Drumchapel Children & Family Network which brings together services working with children & families in Drumchapel to build relationships, test ideas, develop best practice & work together to co-design with children and families a system of family support that creates change & improves outcomes. We offer our 3D Futures family support capacity building programme to support other communities.

Beneficiaries: 'Children or young people', 'No specific group, or for the benefit of the community'

Objectives: 4 The company's objects are: 4.1 To relieve poverty particularly among the residents of Drumchapel and the surrounding areas ('the Operating Area'). 4.2 To relieve those who are in need, particularly among residents of the Operating Area, as a result of ill-health, financial hardship or other disadvantage. 4.3 To provide recreational facilities particularly within the Operating Area, and organise

recreational activities particularly within the Operating Area, with such facilities/activities being available to members of the public at large with the object of improving their conditions of life. 4.4 To advance education particularly among the residents of the Operating Area. 4.5 To promote training in skills of all kinds, particularly such skills as will assist residents of the Operating Area in obtaining paid employment. 4.6 To advance health and to prevent and/or relieve ill health particularly among residents of the Operating Area and to do so through the increase of public knowledge and awareness of issues relating to health and health living. 4.7 To advance citizenship and community development including through helping young people resident in the Operating Area to develop their physical, mental and spiritual capacity so that they may grow to full maturity as individuals and as members of society. and 4.8 To promote, establish, operate and/or support other similar schemes and projects which further charitable purposes particularly for the benefit of the community within the Operating Area and across the United Kingdom
