## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education', 'the advancement of health', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

**What the charity does:** Angus Carers Centre exists to improve the quality of life for all carers in Angus by: \* Building meaningful relationships with unpaid carers from all walks of life. \* Providing information guidance and advice . \* Offering emotional, financial, practical and social support. \* Building a sense of belonging amongst carers to amplify their voice , joining with carers in becoming actively involved in consultative and planning processes.

**Beneficiaries:** 'Children or young people', 'Older People', 'Other defined groups'

**Objectives:** 4 The company's objects are to advance the health and education of carers in the County of Angus by providing support, recreational facilities and activities, with the object of improving the conditions of life for carers by: (a) providing information and support to those resident in the County of Angus, irrespective of age, who currently care (or have, in the recent past, cared) for family members, other relatives, partner, friends and neighbours of any age affected by physical or mental illness, disability, frailty or substance misuse. The person does not need to be living with the cared-for person to be a carer. (b) ensuring that the role of carers is recognised, and working in partnership with carers to empower them to manage their caring responsibilities (c) contributing to planning processes, both for the cared-for and at a local and national level. (d) promoting physical and mental well-being and alleviating mental and physical ill-health attributable to caring roles. (e) advancing education, training, volunteering, employment and a wide range of support to enable carers to have a life outside of caring (f) ensuring that young carers are protected from harmful caring roles and thriving.

## Geography
