Registered Charity number: SC026055

Review of the year

Throughout the past school year Aug 2024 to June 2025 the numbers attending Afterschool have been at full capacity Monday to Thursday with Friday being the only day with limited availability.

Session 2024-2025 saw a few staff changes with April returning, one new member of staff joining us in May and two members of staff leaving.

Finances -the figures show a loss for the financial year however this was to be expected due to increased wage costs and expenditure. The Afterschool fees were reviewed in December 2024 and an increased rate will take effect from the new term in August 2025. There is also a credit balance of £2,323 in our GCVS salaries account.

Financial Overview

The Receipts and Payments Account and Statement of Balances on pages 5 & 6 reflects a net deficit for the year amounting to £6,794 (2024 - surplus £1,597).

Reserves Policy

It is the policy of the Association to maintain funds at a level which equates to approximately three months expenditure. This allows sufficient funds for the Management Committee to finance and maintain its ongoing work.

There are sufficient additional funds at the year end to cover a Redundancy Reserve or a potential disaster such as the Covid19 pandemic. Continued consideration is being given as to the best investment and use of funds for the Charity's benefit.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

Statement

In the course of my examination, no matter has come to my attention

Review of the year

Throughout the past school year Aug 2023 to June 2024 the numbers attending Afterschool have been at full capacity Monday to Thursday with Friday being the only day with limited availability.

Following a review from the Care Commission in January 2024, we were told that we would need to reduce our daily capacity from 72 to 60 children due to us not having enough available space in the school. This was done through leavers and not filling spaces left by the P7 children.

Session 2023-2024 saw a few staff changes with one new member of staff joining BPASCA as a trainee and three members of staff leaving. Due to staff leavers [REDACTED] selected a new Team Leader with [REDACTED] stepping up from her Key Worker role to take on Team Leader - [REDACTED] is currently undertaking further qualifications which will assist her in her new role.

Finances - the Viking Village Play Structure has been ongoing and £5,000 has been paid during this financial year to complete the project. This was part of the longer term plan to use surplus funds to invest in more outdoor play facilities for the children. [REDACTED] was also granted approval from the committee for salary increases as part of a longer term plan to invest in and retain staff. There is also a credit balance of £2,154 in our GCVS salaries account.

Financial Overview

The Receipts and Payments Account and Statement of Balances on pages 5 & 6 reflects a net surplus for the year amounting to £1,597 (2023 - deficit £12,512).

It is the policy of the Association to maintain funds at a level which equates to approximately three months expenditure. This allows sufficient funds for the Management Committee to finance and maintain its ongoing work.
