## Activities

---

**Activities:** 'It does none of these'

**Purposes:** 'the advancement of education', 'the advancement of public participation in sport'

**What the charity does:** Provision of community swimming pool facilities When the pool building project was completed the charity established a 'Community User Group'. This User Group is the link between the community use of the pool and the hotel group. The charity supports the work of the User Group by providing assistance and advice. This ensures that the charity continues to meet the needs of the community.

**Beneficiaries:** 'Children or young people', 'Older People', 'People with disabilities or health problems', 'No specific group, or for the benefit of the community'

**Objectives:** (1) To advance education through the provision of training in the skills of swimming, life saving and resuscitation and such other skills as would be of assistance to a person endeavouring to save life and through the provision of courses for schoolchildren and the general public in safety procedures. (2) To provide relief for children and adults suffering from a mental and/or physical disability or impairment through the provision of therapy within a swimming pool environment. (3) To arrange and promote lectures, demonstrations and competitions and to form classes of instruction so as to bring a widespread and thorough knowledge of the principles which underlie the art of swimming and life saving in schools, colleges and other educational establishments. (4) To provide in the interests of social welfare facilities for recreation and other leisure time activity available to the public at large within the Mull and Iona area with a view to improving their conditions of life. (5) To promote industry and commerce
