Glen Douglas has a constitution that regulates the running of the hall and the activities undertaken there and it is set down that as trustees we must promote community activities. We always advertise the annual general meeting and allow all community members to be appointed as trustees and actively encourage wide involvement by everyone in the community.

During 2024/25 the hall is being used on regular basis, monthly Lunch Club and Whist Drives have been the main features this year. It has also been agreed to continue with some joint events with Edgerston Hall Committee. The local mothers and toddlers group now have a weekly meeting and this is running very well. We also host the newly reformed Jed Valley Community Council Meetings on a rotational basis with Edgerston.

Committee membership has dropped this year, meaning the hall is running along at a slower pace. We are always looking and asking for new Committee members but no-one forthcoming at the moment.

We are keeping the community informed via the local Jed Eye Paper and have updated our Facebook page which advertises our events and the Annual General Meeting.

The financial statement for the year shows a deficit of £7837 some major repair work was undertaken this year, we received a grant towards changing the windows and the lighting has been upgraded to LED's making them more energy efficient. Our heating and lighting costs are running at a much more acceptable level.
