**What the charity does:** We hold regular play sessions for babies and toddlers and a meeting place for their carers to enjoy companionship and mutual support. We do this by hiring Darnick Village Hall each week during term time, where we keep a good supply of age appropriate toys, and offer tea and coffee for carers as well as healthy snacks for the children.

**Beneficiaries:** 'Children or young people'

**Objectives:** To provide in the interests of social welfare a good environment for babies and children up to the age of five by providing mothers of such children with a means of alleviation of stress by mutual support where such support is not readily available from within the community and by providing play facilities for the children in which the mothers can participate as will improve the physical and intellectual development of the children and strengthen the relationship between mother and child, and generally to act in accordance with and in furtherance of the aims of the Scottish Pre-School Play Association.
