Activities

Activities: 'It makes grants, donations, loans, gifts or pensions to individuals','It makes grants, donations or gifts to organisations','It carries out activities or services itself'

Purposes: 'the advancement of the arts, heritage, culture or science'

What the charity does: Friends of Duff House tries to do what it says on the tin although 'Duff House' means the policies of Duff House as they were in 1906, hence including considerable grounds. We research the history of Duff House, it's grounds and the Duff family (which is worldwide), we try to disseminate that with articles, lectures and exhibitions, but also with events. We often work with other local and national organisations in achieving these activities.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The objects of the Association are: To advance the education of the public concerning the history of Duff House, its policies and surrounding estate and lands, as gifted to the tom of Banff and Macduff in 1907 (all collectively referred to hereinafter as 'Duff House Estate'), the architecture of Duff House and of other buildings and erections within said estate and lands and the furniture, furnishings, artefacts, exhibits, works of art and other contents therein. To advance community development through public enjoyment of the amenities of Duff House Estate. To advance the environmental protection and improvement of Duff House Estate for the achievement of these charitable objects and the more effective implementation of its related duties and responsibilities.
