Activities

Activities: 'It makes grants, donations, loans, gifts or pensions to individuals','It makes grants, donations or gifts to organisations','It carries out activities or services itself'

Purposes: 'the prevention or relief of poverty','the advancement of education','the advancement of health','the promotion of equality and diversity'

What the charity does: We are set up to raise awareness and funds to support the disadvantaged communities in the developing world. We have fundraising events to do so. The funds are distributed in grants through the due process of application, assessments and monitoring of the beneficiaries. We also follow up on their progress. We publish on our website and also on social media -Facebook

Beneficiaries: 'Children or young people','Older People','People with disabilities or health problems','Other charities or voluntary bodies'

Objectives: (a) To advance education in preventative medicine for the benefit of people living in developing countries of the world (b) To both preserve and protect and further the health of people living in developing countries of the world by seeking to improve the quality and effectiveness of existing health services in those countries

Geography

- **Main operating location:** Aberdeen
