Activities

Activities: 'It makes grants, donations, loans, gifts or pensions to individuals'

Purposes: 'the prevention or relief of poverty', 'the advancement of education'

What the charity does: The Charity provides grants to University Engineering students who were pupils at a school in Glasgow. The students will have demonstrated a need for this support. The grants are made available from an endowment and from donations received by the Charity.

Beneficiaries: 'Children or young people'

Objectives: To advance the education of young men and women in full time education in a Qualifying School by the provision of financial assistance to such persons (1) who are either in the fourth year of secondary schooling and considering studying those subjects which are considered necessary for entrance to a course leading to a degree in Engineering offered by a Scottish University (2) who are in fifth or sixth year of secondary schooling and studying an appropriate group of subjects considered necessary for entrance to a course leading to a degree in Engineering offered by a Scottish University or (3) who may satisfy such other qualifications as may be determined from time to time by the Trustees in their absolute discretion but with the approval of the Director and without prejudice to the foregoing generalities preference shall be given to those applicants applying for or who may have embarked upon an appropriate degree course at the University

Geography

- **Main operating location:** Glasgow City
- **Geographical spread:** More than one local authority area in Scotland
