## **Netherton Charitable Trust**

### **Trustees' Annual Report**

#### **Year ended 5 April 2025**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with The Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006, the Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)" and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

#### **Objectives, Activities and Achievements**

The objectives of the Trust are widely drawn and allow payments of income or capital to, or for the benefit of, such charitable objects as the Trustees in their absolute discretion may select.

The Trust primarily furthers its charitable purposes through making donations annually and invites applications/appeals from relevant bodies co-ordinated through its registered office.

The Trustees have considered all the appeals received during the year and resolved to make 31 donations totalling £185,000.00 (2024: 29 donations totalling £146,000.00) for a range of charitable purposes. Details of the donations are shown in Note 6 to the accounts.

The Trustees are comfortable that the objectives of the Trust continue to be met.

#### **Financial Review, Investment policy and Reserves**

The Trust is reliant on the income from donations, investments and cash and the receipt of Gift Aid Payments and Investments for its incoming resources, the income from which was £878,762.10 in the year to 5 April 2025 (2024: £888,379.00) No income is raised from the public.

The financial position of the Trust and the activities during the period are stated in the attached accounts. The Trustees consider the financial position to be sound.

The Trustees note the performance of the trust portfolio over the period. Overall investment losses for the period were £629,454.75 (2024: £506,709.31 overall gains) which reflects the general market and economic sentiment over the year. In particular it is noted that President Trump's Liberation Day Tariff announcement had a significant impact. The Trustees will continue to monitor the performance of the trust portfolio and take action as necessary.

The Trustees have wide investment powers. They adopt an investment strategy aimed at generating both income and capital growth in the medium to longer term. The investment profile is largely equity based and as such, is termed high risk, however, the Trustees mitigate the risk by receiving advice from professional investment advisers regarding implementation of this strategy.

Total reserves as at 5 April 2025 amounted to £7,083,106.62 (2024: £7,065,186.01). The Trustees retain sufficient reserves, all unrestricted, to ensure that the Trust is able to meet its objectives.

## **Netherton Charitable Trust**

### **Trustees' Annual Report**

**Year ended 5 April 2025**

#### **Structure, Governance and Management**

The Trust was established by Deed of Trust by [REDACTED] dated 21 September 1998 and registered in the Books of Council and Session on 15 October 1998.

Trustees are appointed by Deed of Assumption in accordance with the terms of the Deed of Trust. The Settlers have reserved the right to appoint new trustees during their lifetimes. The Trustees seek to follow good practice and ensure that there is a broad and diverse mix of skills and experience within their number. The Trustees keep succession planning under review and when needed will seek to recruit new trustees based on their skill, experience and knowledge of the sector. On appointment, new trustees will be provided with a welcome pack including a history of the Trust, Trust Accounts, constitutional documents, a note on trustees duties and any other Codes of Conduct applicable at that time.

The Trustees have assessed the risks to which the charity is exposed, in particular those related to the financial and investment operations of the Trust, and are satisfied that systems are in place to minimise exposure to these risks. The most significant areas of uncertainty are the level of investment return and overall performance over time of the mix of assets in the portfolio in volatile markets. The variability of investment returns is mitigated by retaining investment managers and having a diversified portfolio.

The Secretaries to the Trust, to whom all applications should be made, are Shepherd and Wedderburn LLP, 1 West Regent Street, Glasgow, G2 1RW. Applications are passed to the Trustees for consideration, usually at an annual meeting when donations are agreed.

The Trustees are aware of their general duties as defined in the Charities and Trustee Investment (Scotland) Act 2005 and receive training from Shepherd and Wedderburn LLP as appropriate.

#### **Related Parties**

[REDACTED], one of the Trustees, is a Director of Rathbone Investment Management. Rathbone Investment Management are the Investment Advisors. Investment management fees of £25,827.54 (2024: £22,358.74) were paid during the year and £6,361.24 (2024: £6,333.74) is outstanding at the year end.

The Trustees have not received any remuneration, other benefits or reimbursement of expenses during the year ended 5 April 2025 nor the year ended 5 April 2024.

Two trustees donated investments with a value of £714,101.25 to the charity during the accounting period. In the previous period the same trustees donated investments valued at £711,649.50. These investments are managed by Rathbone Investment Management and the trustees in question have not retained any other interest nor receive any benefit relative to the donated investments.

#### **Future Plans**

The Trustees intend to build up the funds of the Trust by adding any investments gifted to the Trust, and a one half of any Gift Aid Payments received, to the Capital of the Trust. The trustees have power to make payments of capital for charitable purposes, and they will consider on an annual basis whether it is appropriate to do so in order to supplement/maintain the level of donations.

There is presently no intention to alter the current strategy.

**Trustees' Annual Report**

**Year ended 5 April 2025**

**Statement of responsibilities of the Trustees**

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the Trustees to prepare or have prepared on their behalf accounts for each financial year which give a true and fair view of the state of affairs of the Charity at the end of the year and of its financial activities during the year then ended. In preparing or arranging preparation of those accounts, the Trustees are required to

- \* select suitable accounting policies and then apply them consistently;
- \* make judgements and estimates that are reasonable and prudent;
- \* observe the methods and principles in the Charities SORP; 2019 (FRS 102)
- \* state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures being disclosed and explained in the financial statements;
- \* prepare the financial statements on the going concern basis unless there are indications to the contrary.

The Trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and The Charities Accounts (Scotland) Regulations 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

In so far as the trustees are aware:

- \* there is no relevant audit information of which the charity's auditors are unaware; and
- \* the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

## **Netherton Charitable Trust**

### **Notes to the Accounts**

Year to 5 April 2025

#### **1 Accounting policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to these financial statements.

##### **(a) Basis of Preparation**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with The Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006, the Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)" and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

The financial statements have been prepared under the historic cost convention, modified to include the revaluation of investments at market value.

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

##### **(b) Investments**

Investments in quoted shares, traded bonds and similar investments are included initially at cost and subsequently at fair value (their market value). Realised gains and losses, representing the difference between sale proceeds and market value at the previous financial year end, or cost if acquired during the financial year, and unrealised gains and losses, representing the movement in the market value of investments over the financial year, or from their date of purchase if acquired during the financial year, are aggregated in the Statement of Financial Activities.

##### **(c) Income recognition**

All income is recognised once the charity has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Gifts made to the Trust are recognised when they have been communicated to the Trust in writing containing both the amount and the settlement date.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

## **Netherton Charitable Trust**

### **Notes to the Accounts**

Year to 5 April 2025

#### **1 Accounting policies (Cont'd)**

##### **(d) Expenditure recognition**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that will be required and the amount of the obligation can be measured reliably.

All expenditure including grants, donations, support costs and governance costs, is recognised on an accruals basis. Expenditure is allocated in the Statement of Financial Activities under headings that aggregate all related costs.

Grants and donations are payments made to third parties in the furtherance of the charitable objects of the Trust. In the case of an unconditional grant offer, this is accrued once the recipient has been notified of the grant award. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled conditions attaching to that grant are outside the control of the Trust.

##### **(e) Funds**

The Trust maintains Capital and Revenue funds.

The Capital fund represents gifts by the Settlers (less any capital sums applied for charitable purposes) together with realised and unrealised gains and losses on the Trust's investments, less any costs, attributable to the Capital fund. Any investments gifted to the Trust are added to the Capital fund. Gift Aid Payments received are divided equally between the Capital and Revenue funds.

The Revenue fund represents the excess of income over expenditure which has arisen and has not yet been distributed.

There are no restrictions imposed by the Trust Deed in relation to expenditure of capital.

##### **(f) Raising funds**

The costs of raising funds consist of investment management costs.

##### **(g) Charitable activities**

Costs of charitable activities include grants and donations made and support costs, including governance costs.

##### **(h) Taxation**

The charity is exempt from tax on its charitable activities.

##### **(i) Financial Instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

**Netherton Charitable Trust****Notes to the Accounts (Cont'd)**

Year to 5 April 2025

**2 Key Estimations and Judgments In the application of the charity's accounting policies**

The Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods. Support costs are allocated between capital and revenue based on the time spent by senior management on undertaking the charity's activities.

### **Notes to the Accounts (Cont'd)**

Year to 5 April 2025

#### **9 Fixed asset investments**

Investments are all traded in quoted public markets. The basis of fair value for quoted investments is equivalent to the market value, using the bid price. Asset sales and purchases are recognised at the date of trade at cost (that is their transaction value). The main form of financial risk faced by the trust is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of the investors to investment risk, and changes in sentiment concerning equities and within particular sectors and sub sectors, particularly as the trust is reliant on the dividend yield in part to finance its work. The Trustees have managed the investment risks by retaining expert advisors and operating an investment policy that provides a high degree of diversification of holdings within investment asset classes that are quoted on recognised stock exchange. The trust does not make use of derivatives and other similar complex financial instruments.

## **The Netherton Charitable Trust**

### **INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE NETHERTON CHARITABLE TRUST**

#### **Opinion**

We have audited the financial statements of The Netherton Charitable Trust (the 'charity') for the year ended 5 April 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 5 April 2025, and of its incoming resources and application of resources including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

#### **Other Information**

The other information comprises the information included in the Annual Report and Financial Statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. The trustees are responsible for the other information.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report this fact.

We have nothing to report in this regard.

## **INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE NETHERTON CHARITABLE TRUST**

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charity Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees Annual Report; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement set out on page 6, the trustees are responsible for the preparation of financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and the relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud is detailed below:

### **Extent to which the audit was considered capable of detecting irregularities including fraud**

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures response to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and assessing the risks or material misstatements in respect of irregularities, including fraud and non-compliance with laws and regulations we considered the following;

- The nature of the charity, the environment in which it operates, and the control procedures implemented by the trustees; and
- Our enquiries of trustees about their identification and assessment of the risks of irregularities.

Based on our understanding of the charity and the sector it operates in we identified that the principal risks of non-compliance with laws and regulations related to, but were not limited to;

- Regulations and legislation pertinent to the charity's operations.

## INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE NETHERTON CHARITABLE TRUST

We considered the extent to which non-compliance might have a material impact on the financial statements. We also considered those laws and regulations which have a direct impact on the preparation of the financial statements, such as the Charities and Trustee Investment (Scotland) Act 2005, and the Charities Accounts (Scotland) Regulations 2006. We evaluated management and trustees' incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of management override of controls), and determined that the principal risks were related to;

- Posting inappropriate journal entries.

### Audit response to the risks identified;

Our procedures to respond to the risks identified included the following;

- Gaining an understanding of the legal and regulatory framework applicable to the charity and the sector in which it operates;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- Enquiring of trustees and legal advisors concerning actual and potential litigation and claims;
- Reading minutes of meetings of those charged with governance;
- In addressing the risk of fraud as a result of management override of controls, testing the appropriateness of journal entries and other adjustments; evaluating rationale of any significant transactions that are unusual or outside the normal course of business.
- Review of journals included but was not limited to the following areas:
  - Accruals
  - Accrued income and debtors
  - Creditors

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.
