REPORT OF THE BOARD OF TRUSTEES

The Board of Trustees are delighted to present their annual report and financial statements of the charity for the year ended 30 June 2024. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard FRS102 Section 1A and the Charities SORP (FRS102)

STRUCTURE GOVERNANCE AND MANAGEMENT

The Association is governed by its Constitution which was last updated in May 2016. The political leadership of the Association is made up of 3 Full-Time Officers, elected annually and limited to a maximum of 2, 1-year terms. The Association is membership-led and the democratic structure is set out in our Constitution. The charity is governed by a Board of Trustees made up of the 3 Full-Time Officers, 2 current Student Trustees, and 3 External/Lay Trustees. Only the 3 full-time Officers are remunerated, with the other Trustees being volunteers and the Board ordinarily meets 4 times per year. The Association employs a small group of staff including the Director who line manages the other staff and reports to the Board of Trustees. The Director is responsible for the operational management of the Association as well as reporting on the progress against agreed Strategic Objectives. Staff salaries are set in line with agreed Scotland-wide College support staff pay scales. Full-Time Officer salaries are set by benchmarking against other Scottish Students' Associations.

Students' Association Elected Officers

The Students' Association's President and Vice Presidents were elected during March 2023 for the 2023/24 session and took up post on 1st July 2023. In 2017, the Association agreed to change the way in which we supported the work of the Full-Time Officers (FTOs), moving away from formal, elected volunteer officers, with specific remits, to a more informal group of volunteers for each task or activity. This has meant that student volunteers do not need to go through the process of elections to get involved with activities and has meant that they are able to pick and choose which parts they want to take more leadership on, improving our engagement with students.

The elected officers for session 2023/24 were as follows:

Full-Time Officers

President

Vice President Activities

Vice President Welfare

Staffing & Salaries

Edinburgh College Students' Association (ECSA) currently employs 4 full-time staff. The posts were created in 2014 with salaries being set in line with the College support staff pay framework. Salaries are subject to annual increments, as well as changes made to the framework, via national College pay negotiations.

Staff

Association Director

Representation & Impact Coordinator

Communications & Events Coordinator

Communities Engagement Coordinator

OBJECTIVES AND ACTIVITIES

These are summarised in the Constitution, which is approved by the Association's Board of Trustees as well as the College Board of Management, as follows:

We aim to advance the education of students at Edinburgh College for the public benefit by:

- (a) promoting the interests and welfare of students at Edinburgh College during their course of study and representing, supporting and advising students;
- (b) being the recognised representative channel between students and Edinburgh College and any other organisation outside Edinburgh College and
- (c) providing social, cultural, sporting and recreational activities and forums for discussions and debate for the personal development of our students.

These aims and objectives are pursued without discrimination on the grounds of age, sexual orientation, disability, gender, religion or race. The Union also operates independently of any political party or religious organisation.

In pursuit of these goals, the Association works in partnership with Edinburgh's College' students, staff and Board of Management.

ACHIEVEMENTS AND PERFORMANCE

Introduction from the President, Chair of the Board of Trustees

The past two years as an elected Full-time Student Officer have been one the most incredible and testing experiences of my life. Building a Students' Association and student engagement back after what felt like an eternity of isolation, only to be faced with lecturer strikes and a cost-of-living crisis.

Despite all of it, I'm very proud to present our Report for 2023-2024 detailing all of our activity and achievements throughout this year. I think it is important to highlight just how small our Students' Association team is before reading this report. With a small, but mighty team of seven people consisting of three officers, three full-time staff and our Director, we have been able to cover all four campuses and represent 25,000 students as well as working on committees, projects and partnerships across the college, the sector, and the country. When you read this report with that in mind, you truly see the incredible impact we are able to have, despite our size.

I had never seen myself as a career woman until I started at EC Students' Association and I had always been told that my strengths were in speaking and having an opinion. Well, it turns out that you can make a career out of that! We have had a year of attending protests, conferences, hosting wellbeing events and my personal favourite, bringing people together.

We are so incredibly proud of the relationship work that we have focussed on over the past year. Building, not only a stronger relationship between the Board of Management, Senior Management Team, and the Students' Association, but creating transparent and direct lines between people at the top of the College and students on the ground.

This is our legacy and work that I am excited to see develop for years to come. I truly hope that we have done you proud and shown you the true strength and beauty of my favourite saying "The people united will never be defeated."

Some of our top achievements from 2023-24 include:

1. Reverse Shadowing with the Board of Management
We've welcomed Edinburgh College's Board Members to join us for the day, inviting them to gain new perspectives on the real-life student experience at Edinburgh College.
2. Clubs & Societies Launched
We launched several Clubs & Societies to provide students with a chance to socialise. Tabletop Games club, Video Games club and our LGBTQ+ society have seen regular engagement on Sighthill, Milton Road and Granton.
3. Wellbeing Fairs
This year's Wellbeing Fairs have been bigger and better than ever, taking place on our largest campuses and involving more than 20 external partners and charities from across Edinburgh and beyond.
4. Awareness Days
We're committed to spreading the word about key awareness days throughout the year and have run stalls across the college to mark causes as diverse as LGBT+ History Month, Anti-Bullying Week, International Women's Day, Earth Day, and Mental Health Awareness Week.
5. Competitive Student Elections
At this year's Student Elections, every position was contested, and it was the second highest voter turnout on record, with 1084 students having their say on who should lead their Students' Association next. We're excited to be working with [REDACTED]
6. Events During the Holidays
For the first time ever, we decided to try out full days of activities for students during the holidays. We started with Video Games Day in February Break, and followed up with another day of crafting and gaming in the Easter holidays. Students were fueled up with pizza and good company.
7. Freshers' Fairs
In early September, we held our first full-scale Freshers' Fairs since 2019, with lots of external partners coming in to share goodies with students, and start the term with a bang.

8. New Trustee Board

This year saw our new members of our Board of Trustees take to their roles fully. We welcomed expertise from across the sector with three new external trustees, whilst remaining student-led with the appointment of two new student trustees, joining our elected full-time officers and working alongside our permanent staff team.

9. Protests and Rallies

Our student officer team [REDACTED] spoke up for students at numerous protests and rallies this year, from the NUS Stop the Cuts Rally to Trans Rights protests at the Scottish Parliament, as well as campaigning for continued counselling support on campus.

10. Class Rep Engagement & Student Life Survey

Engagement with our Class Rep community has gone from strength to strength this year, with Reps getting involved in additional opportunities, such as focus groups, Education Scotland visits, and encouraging others to complete our Student Life Survey, which had 629 responses.

A big thank you too goes to our newly established Board of Trustees, helping to guide us to our next iteration and setting us on course with a new Strategic Plan. We're also grateful to all of our partners from across the college, the sector, and beyond, who have worked with us this year.

Particular thanks to the continued, vital support and genuinely positive working relationship we have with the Development Trust, College Senior Management Team, and Board of Management. We are unique in the sector for how we operate, and our partnership approach and mutual respect for each other's roles and activities is the rock that we build upon. The future is far from certain, but nothing can stop our potential for making a difference to the lives of students if we maintain this solid partnership.

Powered by students. Driven by values. Committed to better.
It's more than just a tag line.

BOARD RESPONSIBILITIES

Charity law requires the Board to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Union and of the surplus or deficit for that year. In preparing the financial statements the Board is required to select suitable accounting policies, as described on page 17, and then apply them on a consistent basis, observe the methods and principles in the applicable Charities SORP, make judgements and estimates that are prudent and reasonable and state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements. The Board must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Union will continue to operate.

The Board is responsible for keeping accounting records which disclose, with reasonable accuracy, at any time, the financial position of the Union and to enable them to ensure that the financial statements comply with the Charity Accounts (Scotland) Regulations 2006 (as amended). It is also responsible for

.....

safeguarding the assets of the Union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

FINANCIAL REVIEW

The Association’s main funding comes from Edinburgh College. This funding is now treated by Edinburgh College as being co-terminus with its own financial year of 1 August to 31 July. Until 2019 funding received from Edinburgh College was made in line with the Association’s financial year of 1 July to 30 June.

The financial statements should be read in conjunction with the related notes which appear on pages 14 to 21, and these have been prepared in accordance with the Financial Reporting Standard FRS102 1A and the Charities SORP (FRS102) and relevant law.

The charity’s activities in the year resulted in a deficit of £30,825 of unrestricted funds which added to unrestricted reserves brought forward at 1 July 2023 gives unrestricted reserves of £71,256 available to be carried forward into the new financial year to be used, in accordance with the Constitution, in furtherance of the objectives and activities of the Students’ Association.

In the year the charity received £nil funding which was restricted. Financial details of income and expenditure for the projects carried on during the year can be found at note 10 within the Notes to the Accounts. At July 2024 £31,927 (2023 - £31,927) was carried forward into the new financial year to be used in accordance with the objectives of the Climate Challenge Fund and is not available for general purposes.

Reserves Policy

ECSA aspire to build up a level of unrestricted reserves equivalent to three months operating costs for the Association. At 2023/24 levels, this will equate to £70,000. These reserves are to permit the Association to ensure it is able to meet its financial obligations at all times of the year and to enable the organisation to be wound up appropriately, should the need ever arise. Reserves will accrue from small budgeted surpluses annually, plus any underspend against annual income. Once the level of reserves has been reached, any subsequent surplus monies will be used to fund projects and other one-off expenditure as approved by the Association Director and or the Board, depending on the level.

President

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF EDINBURGH COLLEGE STUDENTS' ASSOCIATION

I report on the accounts of the charity for the year ended 30 June 2024 which are set out on pages 12 to 21.

Respective responsibilities of Trustees and examiner

The Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1) which gives me reasonable cause to believe that, in any material respect, the requirements:

- to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
- to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations;

have not been met; or

2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Date

The notes on pages 11 to 21 form part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

1 ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) 1A, the Charities SORP (FRS 102), taking advantage of the exemptions applicable for small charities, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Income recognition

Income is recognised once the Association has entitlement and it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are recognised in the accounting period to which they relate and are subject to agreed services and activities.

Interest on funds held is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the Association to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accrual's basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings.

Cash Flow Statement

The Students' Association has taken advantage of the reporting exemptions for small charities and do not include a cash flow statement as part of their statutory reporting.

Fixed Assets

Tangible assets

Tangible assets are capitalised at cost including installation, where appropriate.

Equipment costing less than £2,500 per individual item is charged to the income and expenditure account in the year of acquisition, with the exception of individual assets whose cost falls below the threshold and pose a risk of fraud or theft, when they are grouped by type and capitalised.

Capitalised equipment is written down over its useful economic life as follows:

Plant and equipment	up to 5 years
Furnishings and fittings	up to 10 years

NOTES TO THE FINANCIAL STATEMENTS

Accounting Policies (continued)

Investments

Investments are stated at cost less any provision for diminution in value.

Taxation

No provision is made in these accounts for Corporation Tax as the Union is exempt from such taxes as a result of its charitable status.

Pension costs and other post-retirement benefits

ECSA staff are included in the Local Government Pension Scheme (LGPS) run by Edinburgh College. This is a defined benefit scheme providing benefits based on final pensionable pay. The assets and liabilities of the scheme are held separately from those of Edinburgh College. Additional information in relation to the LGPS is available within the accounts of Edinburgh College. Contributions payable to the pension scheme by ECSA are charged to the Statement of Financial Activities in these accounts in the period to which they relate.

Funds

Unrestricted funds are grants or other incoming resources receivable or generated for the objects of the charity without further specific purposes and are available as general funds.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the restricted funds.

2 GOING CONCERN

The Association is dependent on the continued financial support of Edinburgh College. The accounts have been prepared on a going concern basis on the assumption that financial support will be made available by the college until at least twelve months from the date on which these accounts were approved.

3 DONATIONS & LEGACIES

NOTES TO THE FINANCIAL STATEMENTS

15 RELATED PARTY TRANSACTIONS

The Association's main source of funding from Edinburgh College is subject to conditions as stated in the Constitution, and the grant awarded in this financial year was £282,958 (2023 - £257,866).

At 30 June 2024, a balance of £101,983 was due to the Association from Edinburgh College in respect of grant funding, and is included within debtors (Note 13) (2023 - £138,001). Subsequent to the year end this amount has been received.

The Association occupies a room at each of the four campus locations on a rent-free basis, under an informal licence, subject to the Union maintaining the rooms in a good state of repair. The Association would not seek to rent commercial premises if these rooms were not available on campus and so the donation of these facilities is not quantified in the accounts.

The Trustees of the Association are the members of the Board as previously listed on page 3. The Full Time Officers of the Board receive remuneration for services as provided for within the Constitution. The aggregate amount payable under such contracts in the year was £90,594 (2023 - £79,210).
