ACHIEVEMENTS and PERFORMANCE

Following the successful UKEMS 2023 conference at the Royal Hall in Harrogate, the UKEMS 2024 annual conference was held from the 7th to the 10th of July at the University of Bath.

The meeting was attended by over 100 delegates, with speakers presenting numerous symposia organised along three tracks of basic, applied and regulatory research. There was a NUKEMS poster session and a panel discussion with distinguished scientists talking about different career paths, immediately prior to the conference. The UKEMS Jim Parry award and Mutagenesis paper of the year recipients for 2024 were highlighted at the AGM with presentations from both recipients performed at the conference.

At the time of the AGM, the membership of the UKEMS was 11 fellows, 132 members and 35 student members.

UKEMS provided approximately £10,000 for bursaries for students, young postdoctoral scientists and industrial members with equivalent levels of experience, which is in line with UKEMS intention to support researchers, to attend the UKEMS conference. Awards were also made at the end of the conference for poster presentations and the best overall presentation (oral or poster). In 2024 UKEMS also funded three students through the small grants scheme and four students received summer studentships which amounted to a total of approximately £6,000.

During 2024, as in the previous years, the UKEMS committee focused on advertising and managing the various grants and funding schemes that are open to members to advance the objectives of the society, as well as communicating regularly with its members giving updates on upcoming scientific meetings and workshops. UKEMS has assisted its affiliated groups, the Molecular Epidemiology Group, the Industrial Genotoxicology Group, the Next Generation Sequencing Group and NUKEMS, both financially and through supporting their activities. Furthermore, UKEMS grants, affiliations, and funding support (e.g. EEMGS and the IGG/NGS joint meeting for 2024 amounted to £9,000.

The Society's Journal Mutagenesis continues to perform well from which the Society received £79,939 (the 2023 profit share) during 2024 as shown within the *Statement of Receipts and Payments* on page 7. The 2024 profit share amounted to £83,735 which was received during 2025 and is shown within Debtors on the *Statement of Balances* on page 8. This significant Journal income is a great support in helping to fund UKEMS interests and the Committee would like to extend its gratitude to Shareen Doak (Mutagenesis Editor) and Sarah McKenna (Oxford University Press), as well as all the editorial staff and senior editors for their continued direction of the Journal leading to its success.

Financial Review

The Accounts for the year ended 31 December 2024 have been prepared on the *Receipts and Payments* basis and are set out on pages 7 to 9. Per the *Statement of Receipts and Payments* on page 7, the charity reported Net Expenditure (i.e. a Deficit) for the year of £19,008 (2023 – Deficit £80,267).

United Kingdom Environmental Mutagen Society

Trustees' Annual Report for the year ended 31 December 2024

Reserves Policy

It is the Trustees' policy to maintain Unrestricted Funds at a level that equates to approximately six months of unrestricted expenditure. Per Unrestricted Funds on page 8, the Society's free reserves at 31 December 2024 amounted to £59,654 (2024 - £77,282) which is above the required level and is acceptable to the Trustees in view of the possibility of the Society having to underwrite deficits from future conferences.

Grant making policy

The UKEMS currently awards two types of grants by a competitive application process:

Summer student placements (£1,500)

Small grant scheme (£4,500)

For each scheme, an announcement is made on the UKEMS website with an email to the members stating the deadline for applications (which may vary year by year).

The UKEMS Committee reserves the right to make no awards in a given year if the standard of applicants is not high enough, or if financial constraints prevent the making of the awards.

There is a designated form for applicants to complete providing information and completing the proposal with justification and, in the case of the small grant scheme, a brief summary of requested costs.

Applications received by the deadline will be reviewed by a panel of UKEMS Committee members. Committee members will not be directly involved in the decision-making process if they have a link to the applicant or are making an application themselves.

The panel completes a score sheet and comments on the suitability of the proposal for fulfilling the aims of the Society.

The Secretary or Treasurer collates the scores and the proposals are ranked accordingly. The award is made to the best proposals, according to the number of awards available.

Statement of Trustees' Responsibilities

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the charity's financial position and enable them to ensure that the Accounts comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's Constitution. They are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to the Trustees of United Kingdom Environmental Mutagen Society

I report on the Accounts of the charity for the year ended 31 December 2024 which are set out on pages 7 to 9.

Respective Responsibilities of Trustees and Examiner

The charity's Trustees are responsible for the preparation of the Accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity Trustees consider that the audit requirement of Regulation 10(1) (d) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the Accounts as required under Section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the Accounts presented with those records. It also includes consideration of any unusual items or disclosures in the Accounts, and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the Accounts.

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare Accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulationshave not been met, or
2. to which in my opinion, attention should be drawn in order to enable a proper understanding of the Accounts to be reached.
