Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development', 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the advancement of environmental protection or improvement'

What the charity does: The Green Team is established to provide lasting and positive life-changing experiences to young people through engagement in environmental activities that enhance the natural environment, advance environmental education and promote social and mental wellbeing. The main objectives and activities focus on actively involving young people in environmental volunteering, outdoor education and improvements to their physical, social and mental wellbeing. Children and young people are given the opportunity to take part in a range of programmes, discovering and exploring the countryside, learning about the environment and their place in it, developing new skills and making improvements for the benefit of wildlife and people. Through a range of age appropriate programmes we provide increased understanding amongst young people of the processes of nature and encourage a respect for the environment that will engender care for wildlife and wild places through successive generations.

Beneficiaries: 'Children or young people'

Objectives: 2.1 The Objects of the Company are: 2.1.1 The advancement of environmental protection and improvement through practical conservation in local green spaces. 2.1.2 The advancement of education through engaging people in environmental activities, raising awareness about environmental issues and facilitating behaviour change to reduce environmental impact. 2.1.3 The advancement of citizenship and community development by encouraging voluntary activity, fostering social connection and building a sense of shared ownership of local green spaces. and 2.1.4 The encouragement, facilitation and/or organisation of recreational activities which promote mental wellbeing and the physical and social development of young people, especially those experiencing disadvantage. Without prejudice to the foregoing generality this may include running award initiatives to encourage engagement and participation in such activities
