Structure, governance and management

Blackhall Nursery was incorporated on 20 July 2004 as a company limited by guarantee and is a registered charity. Prior to this the Nursery had operated as an unincorporated charity since being set up by a group of parents in 1999.

The company is governed by its Memorandum and Articles of Association.

Blackhall Nursery is a not-for-profit Partner Provider with the Children and Families Department of the City of Edinburgh Council, with responsibilities defined by the partnership contract which is renewed on an annual basis. Blackhall Nursery is a registered Scottish charity, and is accountable to the Office of the Scottish Charity Regulator (OSCR).

The Nursery is managed through three bodies - the Board of Directors, the Parent Committee (previously known as the Management Committee) which is a sub-committee of the board and the Members. A dedicated staff team of childcare professionals, led by a Nursery Manager, delivers the service.

The Board of Directors have a legal responsibility, but no personal liability, for the affairs of the company. They have a responsibility for entering into contracts of significance e.g. the partnership contract with the Council, employment contracts, etc. They approve the budgets and have ultimate control over the affairs of the company. There is a minimum number of three and a maximum of nine Directors. Currently the Board comprises some previous Parent Committee members and current office bearers. One third of the Directors retire from office by rotation at each A.G.M. but are eligible for re-election to the Board. The Directors may appoint any suitable person as an additional Director on an interim basis, as long as the total number does not exceed the permitted maximum. Directors are required to apply for PVG scheme membership.

The Parent Committee comprises a Chair (Director), Secretary (Director), Vice Treasurer (may be a Director), Fundraisers and other roles as deemed necessary, including; Eco Representative, Staff Representative, Welcome Secretary, Health and Wellbeing Representative and general members. Members may have multiple roles within the Committee. This committee supports the nursery on a day-to-day basis and through fundraising and is accountable to the Board of Directors. There are a minimum number of three committee members, drawn from volunteer parents/carers of children attending the Nursery. Normally the Chair, Secretary and Treasurer would also become Directors.

The Members of the Nursery can vote at the A.G.M. and have in their hands control over the composition of the Board and hence the Nursery itself. There is a minimum number of two and an upper limit of seventy. All parents/carers of children attending the Nursery are invited to participate. It is anticipated that Members and Parent Committee members will resign when their children leave the Nursery.

Membership of the Board is open to anyone living in the catchment area of Blackhall Primary School and/or those who have the best interests of the Nursery at heart.

Trustee Induction and Training

All prospective directors/trustees are asked to sign a self-declaration form and a nomination form which requires them to have read the Nursery's guidance on the roles and responsibilities of a company director and the duties of a charity trustee (as detailed by OSCR). The company secretary also talks new board members through the board meeting format and answers any questions. In addition, a document giving an overview of the management structure of the Nursery and the function of both directors and committee members is on permanent display in the Nursery and copies of previous agenda and minutes are always available on request. More formal training on the roles and responsibilities of a trustee can be accessed through EVOC (the Council for Voluntary Service - CVS - for the City of Edinburgh) as required.

Objectives and activities

- Providing up to two years' pre-school care and education, and to provide a feeder nursery for children in the Blackhall area.
- Providing 1,140 hours per annum of early learning and childcare to eligible ante-pre-school and pre-school children (3-5 year olds).
- Providing this service free of charge to parents, through per-capita grant funding from the City of Edinburgh Council, supplemented by fundraising and community grant funding.
- Staffing the Nursery with early years' professionals, led by the Nursery Manager.
- Having a Staff Team who plan the delivery of the curriculum to provide a supportive environment in which the children can enjoy learning through play.
- Providing an appropriate ratio of adults to children.

Main objective for the year

To continue to deliver a high quality, early year learning and childcare experience within the funding available for children in the Blackhall area, whilst supporting the continuing professional development and wellbeing of our staff.

Strategies for achieving our objectives are:

- A Standards and Quality Improvement Plan drawn up with annual targets.
- An annual fundraising target.
- Regular Committee and Board assessments of progress against objectives.
- Regular staff appraisals.
- Identifying and meeting staff training requirements.
- On-going development and review of policies.
- Regular self-evaluation meetings.

Significant Activities in 2024/25

Blackhall Nursery celebrated 25 years as a community-led nursery in July 2024 and a number of special events and celebrations took place throughout the year to mark this milestone. This included the production of a recipe book, with contributions from nursery families and the wider community.

The Nursery has continued to review and upgrade its operations throughout the year, in line with continuous improvement objectives and 'planning in the moment - responsive planning'. In May 2025 the nursery was inspected by the Care Inspectorate. The inspection spanned two days and was overall a positive experience, which provided valuable feedback to the Board and management team. One particularly noteworthy outcome was that the Inspector received an unprecedented level of feedback from nursery families, which was unanimously positive and strongly supportive of the nursery.

The Nursery received the top rating of five (very good) across every assessment area

- How good is our care, play and learning?
- How good is our setting?
- How good is our leadership?
- How good is our staff team?

During the year the Nursery undertook further recruitment to address a number of staff vacancies, which proved challenging at times. Throughout this period, the existing staff team worked flexibly to maintain continuity of care. Additional cover was put in place to support longer-term sustainability, and by the end of the nursery year all vacancies had been successfully filled.

As part of the Independent Nurseries Peer Group, staff have visited a number of independent nurseries in 'the Lothians' and have hosted another visit to Blackhall Nursery. This provides a valuable opportunity to share good practice and inspire creative ideas.

Thanks to excellent fundraising efforts by the Parent and Carer Committee, the Nursery enjoyed a 'day trip' when the children visited East Links Farm Park in Dunbar. The day was a huge success with positive feedback from the children.

Volunteers

Volunteers continue to support the Nursery in a range of tasks such as fundraising, finance strategy, policy review, gardening, offering general help and attending regular Board and Committee meetings to support the running of the nursery. We are very fortunate to continue to be able to draw on a highly skilled, committed and willing group of parent volunteers who give generously of their time and expertise to make Blackhall the highly successful nursery that it is and we thank them all for their valuable contribution to our Nursery.

Achievements and performance

Factors affecting the achievement of objectives

The significant amount of short and long-term staff absences this year has had an impact on our ability to complete the planned improvements as detailed in the Quality Improvement Plan. However, progress was made in all three main focus areas and we are confident that the impact on the children has been minimal. Feedback from parents has also been very positive. The staff team really pulled together during this difficult time. Changes in 'Setting the Table' healthy eating guidelines and other key guidance has also led to the re-writing of a number of policies and procedures, affecting day-to-day operations. However, we are confident that these changes have been managed well with minimum disruption to the children.

Financial review

The financial health of Blackhall Nursery remains sustainable, thanks to the continued demand for places, together with additional grants being won and continued fundraising achievements.

Investment Powers

Under the Memorandum & Articles of Association, the charity has the power to make any investment which the Directors see fit.

Risk Management

The Directors have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems remain in place to mitigate exposure to these.

Principle risks and uncertainties affecting the organisation - a drop in the number of children accepting a place is considered to be very low risk; the local authority ending the partnership agreement (highly unlikely due to high quality of provision and current level of demand); a change in legislation such that the Nursery was no longer able to meet statutory requirements (currently low risk); the risk of dissolution of Blackhall Community Trust after ownership of the building has transferred to the trust (considered to be low to medium risk).

Reserves Policy

In order to operate efficiently, the company attempts to hold a minimum of three months' salaries and pensions, rent and utilities (c. £60,000) costs as a contingency, a minimum £5,000 in a general provision and a sum sufficient to cover any redundancies that might become payable. These funds are shown as designated in order to make these intentions clear. This would enable the Nursery to give staff, parents and the local authority one term's notice in the event that the Nursery had to wind up. In addition, the Board of Directors has set aside £15,000 in order to meet legal expenses associated with an application to the courts to overturn the common good designation of Ravelston Park Pavilion so that an asset transfer to a community body can be progressed by the local authority - £7,100 of this designated fund has been disbursed to date. The board has also agreed to create a new designated fund for the fitting out of new premises, and has transferred £20,000 to reserves for this purpose. Blackhall Community Trust is in the process of completing a community asset transfer of the current nursery premises from the City of Edinburgh Council and has ambitious plans to replace the current building with a new, larger, building which would accommodate Blackhall Nursery as the main tenant, with additional space for more children, alongside a new community space which could be hired by local interest groups.

Arrangements for setting pay and remuneration arrangements are decided by the Board of Directors based on advice and information from the Treasurer. Any pay increases are dependent on an increase in the level of per capita funding from the local authority and on sustained demand for places. The Board aims to set up a Human Resources sub-committee to lead on HR matters, including pay and remuneration.

Plans for future periods

Blackhall Nursery will continue to develop the curriculum to enrich the children's learning experience using Realising the Ambition, the Curriculum for Excellence and Personal Learning Planning alongside initiatives such as Planning in the Moment. Staff will continue to be offered regular access to CPD opportunities and a rewarding environment in which to develop professionally. In 2024, the budget for staff wellbeing initiatives was increased significantly to support the wellbeing of all staff, in line with the Health and Care (Staffing) Act 2019.

The Scottish Government has maintained the statutory funded entitlement of 1,140 hours per annum for all children which has helped to underpin the Nursery's viability and has ensured that there is a healthy waiting list for places. The Nursery is working alongside Blackhall Community Trust to effect a community asset transfer of the current building into community ownership with a view to demolishing and replacing the current building with bigger and more suitable premises, which would also allow the Nursery to offer an additional 10 places each year, and to meet more of the demand for places locally.
