Activities

Activities: 'It carries out activities or services itself'

Purposes: 'any other purpose that may reasonably be regarded as analogous to any of the preceding purposes'

What the charity does: Childcare Connections provides affordable, inclusive, and high-quality childcare, helping families overcome one of the biggest barriers to training and employment. Our out of school care service offers childcare before school, after school, and throughout school holidays for school-aged children. We create a safe, welcoming, and stimulating environment where children are at the heart of everything we do. Through play-based activities, they learn, grow, and broaden their experiences—developing confidence, creativity, and social skills. By supporting families and inspiring children, we strengthen our community and ensure that every child has the opportunity to thrive.

Beneficiaries: 'Children or young people', 'Other defined groups'
