What the charity does: We are a nonprofit organisation with the aim of delivering empowering and meaningful youth work to all children and young people within the Glasgow Govan area. We aim to provide support, information and advice to anyone who makes use of our services (regardless of gender, sexual orientation, religious belief or racial group), and we are committed to the development and regeneration of our local community. Govan Youth Information Project has been in operation since 1994, and over the years has established itself in Govan as one of the most experienced nonprofit organisations within the area.
