Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science', 'the advancement of environmental protection or improvement', 'the advancement of animal welfare'

What the charity does: Natural Research Limited is a wildlife research charity whose mission is to support and conduct high quality, objective research in order to better understand ecological processes and to underpin the conservation and wise management of wildlife resources. Our high quality research is achieved by undertaking original research, sometimes in collaboration with partners or by funding other researchers.

Beneficiaries: 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: The Company's objects are, by itself or in partnership with universities or educational institutions, for the public benefit to conduct research into natural resources and wild life internationally and to enhance the education of the public by disseminating the results of such research

Geography

- **Main operating location:** Aberdeenshire
