REPORT OF THE TRUSTEES

ACHIEVEMENTS AND PERFORMANCE (CONT'D)

For 2024/2025 school year, we had a total of 165 language students in 7 Cantonese classes and 9 Mandarin classes. The school had a total of 70 activity students in 6 activity classes. The school sent one teacher to China to receive training in summer 2025. The school recruited a few new volunteer teaching assistants after the previous volunteer teaching assistants finished their university studies and returned back to China. The teachers and teaching assistants worked as a successful team and delivered good quality teaching.

FINANCIAL REVIEW

The principal funding sources were from donations, school fees and special events. Total income for the period was £42,913 (2024: £34,508). The net expenditure on unrestricted funds, which are the operational reserves of the charity, for the year was £7,913 (2024: net expenditure £11,883). This leaves an unrestricted fund surplus at 31 July 2025 of £41,850 (2024: £49,763).

Reserves policy

The unrestricted fund represents the free reserves of the School, arising from past operating results. The trustees wish to follow best practice and continue to maintain reserves at a level that would cover six months operating expenditure, in the event of a reduction in income, which based on current expenditure amounts to approximately £25,400. Reserves at the year end are in excess of this due to a number of large donations over the last few years so the reserves policy is met.

PLANS FOR FUTURE PERIODS

Liberton High School will move to the new building in summer 2026. The Edinburgh City Council may increase the school rent again for the future. The school needs to continue to increase tuition fees to cover the rent increase and staff salary increase.

The school will continue to recruit volunteer teaching assistants to help the teachers deliver good quality lessons. Also, the school will continue to work with Liberton High School to provide IT equipment for the teachers to deliver lessons in classrooms.

For the year ahead, we will continue to encourage teachers to attend online trainings or travel to China to attend trainings during summer holidays. The school will also continue to provide good quality activity classes and encourage more students to learn Chinese music instruments and dance.

We will continue to promote our school in multiple channels, such as school website and Facebook, to recruit new students from both Chinese backgrounds and other backgrounds. Also, we will continue to encourage our students and Music Ensemble team to perform inside and outside of our school to promote Chinese culture and make good contribution to the local communities.

The school will continue to hire Liberton High School sports centre for the parents to play badminton based on membership fees when their children are studying Chinese in our school each Saturday afternoon.

We will continue to encourage more school parents and community members to join in Taichi and adult dance classes.

REPORT OF THE TRUSTEES

Statement of Trustees' Responsibilities

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which show a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES**

I report on the financial statements for the year ended 31 July 2025, set out on pages 9 to 15.

Respective responsibilities of the Trustees and the Independent Examiner

The charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44 (1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended); and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended) have not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 JULY 2025

1. Accounting policies

(a) Basis of accounting

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity meets the definition of a public benefit entity under FRS102.

The charity has taken advantage of the exemption from the requirement to prepare a Statement of Cash Flows as permitted under FRS 102 and the Charities FRS 102 SORP.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. The Directors' going concern assessment considers a period of at least 12 months from the date of signing of these financial statements.

(b) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Donations, legacies and similar incoming resources included in the year in which they are receivable, which is when the school becomes entitled to the resource.

Deferred income represents amounts received in this period but relating to future periods and is released to incoming resources in the period for which it has been received.

(c) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs of investment manager's fees.
- Expenditure on charitable activities includes the costs incurred by the charity in delivery of its activities and services to its beneficiaries and their associated support costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 JULY 2025

1. Accounting policies (Cont'd)

(d) Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs are governance costs which support the charity's programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities.

(e) Depreciation

Tangible fixed assets are initially recorded at cost. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:-

Furniture and Equipment	15% years straight line
-------------------------	-------------------------

Expenditure on furniture, fittings and play equipment costing less than £250 has been charged to the income and expenditure account, unless bought from specific capital funding.

(f) Funds

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

(g) Financial instruments

Financial instruments comprise financial assets and financial liabilities which are recognised when the charity becomes a party to the contractual provisions of the instrument. They are classified as "basic" in accordance with FRS102 and are accounted for at the settlement amount due, which equates to the cost. Financial assets comprise investments and cash. Financial liabilities comprise accruals.

(h) Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

FINANCIAL REVIEW

The principal funding sources were from donations, school fees and special events. Total income for the period was £34,508 (2023: £25,979). The net expenditure on unrestricted funds, which are the operational reserves of the charity, for the year was £11,883 (2023: net expenditure £12,961). Reserves at the year end are in excess of this due to a number of large donations over the last few years so the reserves policy is met.

PLANS FOR FUTURE PERIODS

The Edinburgh City Council has continued to increase the school rent for the 2023-2024 school year. To have sufficient fund to run the school in the future, the school needs to continue to increase tuition fees.

The school will continue to recruit volunteer teaching assistants to help the teachers deliver good quality lessons. Also, the school will continue to work with Liberton High School to provide IT equipment for the teachers who need computers to deliver lessons in classrooms.

For the year ahead, we will continue to encourage teachers to attend online trainings or travel to China to attend trainings during summer holidays. REPORT OF THE TRUSTEES

Statement of Trustees' Responsibilities

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which show a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES**

I report on the financial statements for the year ended 31 July 2024, set out on pages 9 to 15.

Respective responsibilities of the Trustees and the Independent Examiner

The charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44 (1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended); and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended) have not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 JULY 2024

1. Accounting policies

(a) Basis of accounting

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The charity meets the definition of a public benefit entity under FRS102.

The charity has taken advantage of the exemption from the requirement to prepare a Statement of Cash Flows as permitted under FRS 102 and the Charities FRS 102 SORP.

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. The Directors' going concern assessment considers a period of at least 12 months from the date of signing of these financial statements.

(b) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Donations, legacies and similar incoming resources included in the year in which they are receivable, which is when the school becomes entitled to the resource.

Deferred income represents amounts received in this period but relating to future periods and is released to incoming resources in the period for which it has been received.

(c) Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs of investment manager's fees.
- Expenditure on charitable activities includes the costs incurred by the charity in delivery of its activities and services to its beneficiaries and their associated support costs.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

FOR THE YEAR ENDED 31 JULY 2024

1. Accounting policies (Cont'd)

(d) Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs are governance costs which support the charity's programmes and activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities.

(e) Depreciation

Tangible fixed assets are initially recorded at cost. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:-

Furniture and Equipment	15% years straight line
-------------------------	-------------------------

Expenditure on furniture, fittings and play equipment costing less than £250 has been charged to the income and expenditure account, unless bought from specific capital funding.

(f) Funds

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

(g) Financial instruments

Financial instruments comprise financial assets and financial liabilities which are recognised when the charity becomes a party to the contractual provisions of the instrument. They are classified as "basic" in accordance with FRS102 and are accounted for at the settlement amount due, which equates to the cost. Financial assets comprise investments and cash. Financial liabilities comprise accruals.

(h) Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
