Activities

Activities: 'It does none of these'

Purposes: 'the prevention or relief of poverty', 'the advancement of education'

What the charity does: Scottish Love in Action harnesses the compassion and generosity of people in Scotland, to support the poorest and most vulnerable children and young people in India. We are a local charity with a global impact. We believe every child deserves to thrive. We work with local partners in India to create life-long change for children, their families and their communities. In Scotland, we fundraise to enable this amazing work to happen. We fundraise from four sources – community (including events), corporates, individual giving (including legacies), and trusts.

Beneficiaries: 'Children or young people', 'People with disabilities or health problems', 'People with a particular ethnic or racial origin'

Objectives: III.1 To promote education and relief of poverty in the developing world, particularly for the benefit of children and young people in India.
