**Report of the Trustees  
for the Year Ended 30 June 2025**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 June 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

Coman Each nan Eilean was formed in 1972 on the island of Eriskay to save Each nan Eilean (Eriskay Pony) from extinction, to conserve the breed and to procure, by controlled breeding, good specimens of ponies in the future.

To set up, maintain and operate a Register of Horses.

To promote study into the history, origin, and characteristic of Each nan Eilean and to encourage the use of the ponies for work and recreation especially in the Highlands and Islands of Scotland, particularly in their natural habitat on the Isle of Eriskay and neighbouring islands.

The society aim to provide support for the breeders and to establish and maintain a commercial future for the breed publicising Each nan Eilean progressively throughout the world.

To encourage breeding with the pure mares and improve the holding facility, particularly for the stallions on permanent basis.

**Volunteer Contributions**

All society roles, including those of the Registrar, committee members, walking guides, event organisers, and volunteers, are undertaken by dedicated individuals who freely give their time. Their commitment is the backbone of our success. As a volunteer-led organisation, 100% of the funds we receive are directed towards the care of the ponies and the operation of the society.

This report highlights another successful year for Comann Each nan Eilean-The Eriskay Pony Society (CEnE), achieved through the dedicated committee, members and supporters. Together, we continue to build a sustainable future for the Eriskay Pony.

**ACHIEVEMENTS AND PERFORMANCE**

**Charitable activities**

**Breeding Program**

Comann Each nan Eilean - The Eriskay Pony Society (CEnE) continues to manage and care for a herd of, on average, 20-25 Eriskay Ponies each year, which can be very challenging at times. The ponies have a strong herd instinct, so working with a single pony alone is rarely straightforward-if one pony decides to leave or gets spooked, the entire herd often follows. We do not always have the luxury of working with ponies on a one-to-one basis, which can be frustrating; however, working with a herd is very rewarding, as it allows us to get to know their personalities and behaviours, and the ponies always provide a warm welcome.

In 2024/25, no foals were born however the stallions have bred with mares this year so fingers crossed we will have some additions to the herd in summer 2026.

Managing the stallions and mares alongside the logistics of herd care is significant work, and this break allows us to focus on the overall health, wellbeing, and training of the existing ponies. We remain committed to our breeding programme and plan to continue next year with the goal of preserving this unique native breed.

**Equine Passports**

We continue to rely on an external agency for printing equine passports. Plans to bring this process in-house remain under consideration, with the aim of streamlining operations and reducing costs to CEnE.

**Walking Trails, Equine Expert Talks, Heritage Talks, and Community Events**

Throughout 2024/25, we have maintained a programme of walks, talks, and community events to safeguard the future of the Eriskay Pony. The Eriskay Pony Walks, offered both on Beinn Sgrithean and along gentler routes through the lower township for those who prefer an easier option, have been particularly successful.

These walks not only raise essential funds for feed and veterinary care but also promote awareness and enjoyment of the ponies. Participants consistently highlight these walks as a memorable aspect of their visit to Eriskay. These activities have been popular with both locals and visitors, encouraging new members to engage with the society, consider pony ownership, and develop a wider appreciation of the breed's heritage.

**National Eriskay Pony Centre within the Ionad Eilean na H-Oige Project**

In collaboration with Comann Eachdraidh Eirisgeidh, we are supporting the redevelopment of the former Eriskay School into a Heritage Centre and Community Hub. This project will include a National Eriskay Pony Centre, providing an information point for pony owners to meet with the society and for visitors and locals to learn about the pony's heritage, breeding objectives, and our society's work. This initiative strengthens the long-term protection and visibility of the breed on its native island.

**Community Involvement**

Our events in the Eriskay Hall, supported by volunteers and young community members, continue to be successful. These gatherings give participants a deeper understanding of the Eriskay Pony's cultural and historical significance and highlight the importance of ongoing preservation.

**Gaelic and Community Collaboration**

We remain actively involved with Ceòlas, hosting events in both Gaelic and English as part of their Summer and Autumn schools. We also work with CNAG to deliver outdoor pony events, giving children direct experience with the ponies and insight into their behaviour and care. These activities allow participants to appreciate the ponies' personalities in both stable and free-roaming settings and may encourage new pony owners.

**Expert Collaboration**

Once again this year, we have worked with equine behaviour expert Bonny Mealand. Bonny brought clients to observe and learn from our free-roaming herd, providing valuable insights into the ponies' social dynamics and behaviours while offering first-hand education to attendees.

**Ruth Chamberlain's Support**

Photographer Ruth Chamberlain continues to generously support our efforts. Through sales of her calendar Hidden Hoolbeat of Britain and Ireland, as well as framed photographs and snoods, she donates a portion of proceeds to native pony societies whose equines have been photographed, including ours. Her ongoing contributions, both financial and promotional, are greatly appreciated.

**Merchandise and Fundraising**

Merchandise sales continue to provide vital funding for the care of our ponies, with 100% of profits directly supporting our operations.

**FINANCIAL REVIEW**

**Financial position**

Total income received for the year was £3,126 (2024 : £1,396). Expenditure totalled £1,934 (2024 : £1,670). The resulting surplus is £1,192 (2024 : deficit of £274).

**FUTURE PLANS**

Looking ahead, Comann Each nan Eilean - The Eriskay Pony Society (CEnE) will continue to focus on the health, welfare, breeding and the management of our herd. We look forward to welcoming some foals in the summer of 2026. We will continue to carefully manage stallions and mares to ensure the wellbeing of all ponies while preserving this unique native breed.

Future plans include raising funds towards the Ionad Eilean na h-Òige redevelopment of the old Eriskay School, which will provide a permanent base for a National Eriskay Pony Centre within a community building. This will allow visitors to learn about the Eriskay Pony, understand their important historical and modern roles, meet the ponies, and take guided trips to see them in their natural habitat. A long aim has also been to erect a shed or stable to enable safe handling of the free-roaming herd and stallions, essential for veterinary care and emergencies.

We will continue to offer walks, talks, and community events, and raise awareness through social media, hoping to encourage more breeders and supporters.

Fundraising remains challenging but is vital to support these ambitions, maintain the herd, and ensure the long-term future of the Eriskay Pony, while helping with the community-led redevelopment project to achieve a heritage centre and vibrant community hub for the island and its visitors.

**Independent Examiner's Report to the Trustees of  
The Eriskay Pony (Purebred) Studbook  
Society - Comann Each Nan Eilean Ltd**

I report on the accounts for the year ended 30 June 2025 set out on pages six to fourteen.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

**Basis of the independent examiner's report**

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention :

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
  - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
