Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of citizenship or community development'

What the charity does: Our charity is set up to maintain the interior of the Village Hall and administer rental of the Village Hall spaces to the community. We set the rental rates and have an online booking and payment system to allow members of the community to check availability, book timeslots and pay invoices. Once a year we host an annual Christmas Tree lighting ceremony to promote the Village Hall, bring the community together and give something back to those that have used the Hall through the year and supported us. We also donate to other local charities in the Village when needed and when we have the ability to do so.

Beneficiaries: 'Children or young people', 'Older People', 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'
