Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of health', 'the advancement of public participation in sport', 'the promotion of equality and diversity'

What the charity does: (1) To promote and undertake the treatment, prevention and relief of injuries and other medical problems arising from individuals participating in sporting, recreational and other leisure time activities including in particular, without prejudice to the foregoing generality, the sport of association football. (2) To advance education for the public benefit in relation to sports medicine, and in particular the prevention and treatment of sports injuries and other medical problems arising from participation in sport. (3) To conduct research into the causation and treatment of such medical problems arising from such activities and into the scientific and psychological aspects of athletic and sporting achievement and to publish the useful results of such research.

Beneficiaries: 'People with disabilities or health problems'

Objectives: (1) To promote and undertake the treatment, prevention and relief of injuries and other medical problems arising from individuals participating in sporting, recreational and other leisure time activities including in particular, without prejudice to the foregoing generality, the sport of association football. (2) To advance education for the public benefit in relation to sports medicine, and in particular the prevention and treatment of sports injuries and other medical problems arising from participation in sport. (3) To conduct research into the causation and treatment of such medical problems arising from such activities and into the scientific and psychological aspects of athletic and sporting achievement and to publish the useful results of such research.
