Trustee Board

October 2024. Appointment dates prior to this date reflect when the Trustee was appointed to the Executive Committee.

1st North Berwick Scout Group

Trustees' Annual Report for the year ended 30 June 2025

Trustees are recruited and appointed in accordance with the Policy, Organisation & Rules ("POR") of the Scout Association. The Trustee Board oversees governance, there are a number of additional supporting sub-committees, including a group leadership team, fundraising team, hall redevelopment team, active support team and an operational support team, who all report to the Trustee Board.

Activities and Achievements

The Trustee Board makes decisions and carries out administration tasks to ensure that safe, legal and quality Scouting can be delivered to young people in the Group. The reporting period has been a successful one for all sections of the Group and the Trustee Board has continued to support the leaders.

The Trustee Board has held six meetings in the financial year. In these meetings, the Trustee Board has received reports on the Group's activities, discussed matters arising, given advice and made decisions on issues such as:

- Finance - The financial position of the Group is discussed at each meeting. Specifically, the Board discusses income and expenditure and cash held. Funds and Grants set aside for Hall Development and other specific purposes are monitored and proposed spend is reviewed to ensure that the best use is made of these funds. The Trustee Board has a responsibility to ensure sufficient funds are available for Group activities, that they are spent appropriately, and for ensuring that fund raising events are arranged as required.
- The Trustees reviewed the reserves policy and ensured adherence. Details of this are set out later in this report.
- During the year, the Trustees created a first draft of a Group Risk Register. In the first half of the year ending 30 June 2026, the Trustees will evaluate and assign ownership of the key risks and controls. These will then be tracked as part of the ongoing Trustee meetings.
- The Trustees drafted a 'Leaders Handbook', this is a suite of Group policies relating to health and safety, data privacy and communications together with other practical information for new and existing leaders, to serve as both an induction resource and a general reference guide. This was rolled out in September 2025.
- Hall Maintenance - Scout Hall maintenance of the fabric of the building and the grounds is an important issue and the expenditure required involves scrutiny and approval by the Trustee Board. The Trustees receive regular reports from the Hall redevelopment team on

1st North Berwick Scout Group

the required maintenance and development to ensure that it is fit for purpose. During the year ended 30 June 2025, a new member of the hall maintenance team with property knowledge was recruited and this volunteer has been instrumental in reviewing and prioritising maintenance needs. The Hall redevelopment team assess urgent issues with the fabric of the building and its facilities, engage contractors to report on matters such as accessibility and advise on next steps and best use of funds available and supervise the various tradespeople required to maintain and upgrade as necessary. Following a decision in the year ended 30 June 2022, to not replace the hall, the priority has been to address a backlog of maintenance issues that had built up, these are now resolved. In the year, the Group received £7,955 of costs spent in the year ended 30 June 2024 of £30,000 pledged by North Berwick Trust. This leaves a further conditional amount of £22,045 which must be claimed by 31 December 2025, that the Group hopes to be able to claim in the future if conditions are met.

- Fund Raising - The Trustees monitor upcoming fundraising activities and the requirement for additional funds. During the year ended 30 June 2025, the Group raised funds through activities such as bag packing at Tesco and the Annual Coffee morning.
- Rental Income - This is a major income stream for the Group. The Trustee Board ensures that the Group seeks to optimise the use of the Hall as an asset outside its primary scouting use, and that rentals are managed appropriately.

Trustee Board Remuneration and Expenses

The Trustee Board did not receive any remuneration during the current or previous reporting period. Details of Trustees' reimbursed expenses are shown in Note 4.

Financial Review

Our main source of funding continues to be fees charged to members, which is supplemented by fundraising activities, Gift Aid and Hall rental. As at 30 June 2025, the Group held unrestricted funds of £46,642 (2024: £29,068). In the current reporting period, the Group made an unrestricted surplus of £17,574 (2024: £1,536) and this is largely due to:

- Increase in Membership fees (excluding gift aid): £16,059 (2024: £15,049) due to slightly more members. Membership fees were held at £130 per member per annum;
- Increase in rental income: £9,598 (2024: £6,835) due to more parties and other classes and event;

1st North Berwick Scout Group

Trustees' Annual Report for the year ended 30 June 2025

- Grant received from North Berwick Trust in respect of 2024 costs: £7,955. It is noted that this sum was reimbursed to the Group for hall maintenance expenditure made in the prior year. This largely explains the significant increase in the Group's reported unrestricted surplus. Had the receipt being received in prior year, to match the timing of the spend, the surplus for year ended 30 June 2025 would have been £9,619 (2024: £9,491);
- Decrease in utility costs: £2,856 (2024: £6,591) due to lower energy bills in the year ended 30 June 2025 as prior year's overpayments on account were clawed back, the bills have returned to a normal level at the end of the financial year and we expect to incur higher costs in the year ended 30 June 2026; and
- Decrease hall development and maintenance costs: £7,044 (2024: £11,050) due to less ad hoc maintenance requirements and timing and nature of development spend.

Offset by:

- Decrease in Fundraising: £2,478 (2024: £6,614) due to fewer events; and
- Increased capitation costs: £7,475 (2024: £6,335) due to increase in capitation per member and slightly more members year on year. The annual capitation fee, set centrally by The Scouting Association, is an annual, membership-based fee paid by Scout groups, and ultimately by members, to The Scout Association (or equivalent national body) to fund UK-wide services such as leader training, national insurance for members, and central administration.
- Net income (fees less related expenses) was broadly the same year on year: £3,808 (2024: £3,230). This income is due to timing of events and a small margin added to the fees to cover group expenses and wear and tear on equipment.

During the year, sections ran a number of one to two night camps (both locally and in other parts of Scotland) and activities for young people including days out at Foxlake and playing Disc Golf.

Restricted funds and Grants

In the year ended 30 June 2023, two grants (£15,000 from the Robertson Foundation and £4,723 from Black Rock) were awarded which are restricted to spending on hall redevelopment. In that year, £700 was spent on architect plans so the remaining balance is £19,023. In the year ended 30 June 2025, £400 was received from Bass Rock Community Group for improving accessibility. There has been no further spending on these funds.

The Group is also fortunate to have £30,000 pledged by North Berwick Trust of which £7,955 was

1st North Berwick Scout Group

Trustees' Annual Report for the year ended 30 June 2025

spent on hall maintenance in the year to 30 June 2024, which was reclaimed in the current year. The Trustees intend to ensure the remaining balance is spent on the hall before the deadline of 31 December 2025.

Reserves Policy

The Trustees' policy is to maintain reserves at around 12 months of normal operating costs plus an additional £5,000 in the event of unexpected hall maintenance. We believe that will allow the Group to meet its commitments and to cover any unexpected expenditure. This is estimated to be £18,000 based on the running costs for the year ended 30 June 2024. These accounts show that the Group holds sufficient reserves.

Plans for Future Periods

The Trustees intend to continue to offer scouting to as many young people as possible in our local area. We have agreed that the membership fee for next year will increase to £140 per annum. This is after being held at £130 for the last two years and reflects the increase in directly attributable membership costs such as capitation which we understand will rise by at least £6 per head, as announced by The Scout Association to cover increases in central costs including Insurance, Training & Development, Safeguarding & Safety, National & Regional Support and central Programme Resources.

It is also noted that the Group will be embarking on a major programme of work on the Scout hall which includes but is not limited to replacing the electrics, heating, windows, doors and improving accessibility with a view to maintaining and upgrading the facilities in a sustainable manner. This work will be funded, in part, by existing grant funds from North Berwick Trust as discussed above. In addition, the Trustees will look to release surplus reserves, restricted funds (as permitted) and apply for any relevant grants.

The Group aims to ensure we are as open and inclusive as possible. We are aware that at present demand exceeds supply, however our ability to add further to our Group is very much dependent on finding new volunteer leaders to support and facilitate the introduction of new sections.

Independent Examiner's Report to the Trustees of the 1st North Berwick Scout Group

I have read the report on the financial statements of the 1st North Berwick Scout Group ('the Group') for the period ended 30th June 2025 which are set out on pages 10 to 13.

Respective responsibilities of Trustees and Examiner

The Group's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 ("the Act") and the Charities Accounts (Scotland) Regulations 2006 ("the Regulations"). The Group's Trustees consider that the audit requirement of Regulation 10 (1) (d) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44 (1) c of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiners Statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the Group and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiners Statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - a. to keep accounting records in accordance with the Act and the Regulations, and
 - b. to prepare accounts which agree with the accounting records and comply with the Regulations have not been met.
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
