Achievements & Performance

2024-25 was a busy year with a number of projects underway and, moving forwards, the constant search for funding. Demand for our services remain high and we are consistently exceeding project targets.

A grant award from **Integrated Care Fund 2024-2026** (£84,874) will extend over 2 years to June 2026, and compliment our work with **Impact Funding Partners** to deliver Activity Cafes in our rural community, combatting Social Isolation and Loneliness. To date we have accommodated 180 local people.

Following an award from **VASLAN Community Mental Health & Wellbeing Fund** (2023-24), we developed several support stands within our community including (i) health workshops with NHS Lanarkshire, (ii) befriending and IT support and (iii) volunteering for Community Gardening. This accommodated 96 local people. We also achieved the **Volunteer Friendly Award** from Volunteer Scotland as testimony to our commitment to Volunteers. Funding from **VASLAN & UK Prosperity Fund** facilitated delivery of Work Club services, supporting 91 local people. Targeting Digital Exclusion, we received funding from **The Good Things Foundation** (£8400) to pilot delivery of IT Support Hubs from various locations in North Clydesdale. This pilot led to a successful application to **VASLAN Community Mental Health and Wellbeing Fund** (£19989) to secure delivery until March 2026. An award from **South Lanarkshire Charitable Trust** (£780) supported delivery of our Warm Welcome Space in 2024-2025.

With respect to sustainability, some funders have moved towards retrospective funding, where FCRCSG is required to hold reserves to fund project work and then claim monies back at intervals from grant awarding bodies. Income generated will therefore be designated against core running costs and future project work in 2025-2026 (£85,600), giving us a measure of sustainability and the means to continue supporting delivery into our community.

Financial Review

The Trustees raised a total of £145,462 in the year. The charity's total reserves as at 31 March 2025 are £288,728 of which £157,079 are Unrestricted General Funds, £85,600 are Unrestricted Designated funds and £46,049 are restricted funds. The trustees aim to keep unrestricted reserves at a level of £50,000 which represents 12 months working capital to finance the charity and the surplus will be used by the Trustees to continue the work of the charity.

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) 2005 Act and the Charities Accounts (Scotland) Regulations 2006. My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention.
