Accounts

Governing Document

The Band is an unincorporated association governed by the provision of the Constitution, which was last amended August 2001.

Organisational Management

The full Committee meet formally at least 6 times per year to determine the general activity of the band. In addition to this the Principal Office Bearers meet twice per week and correspond on a regular basis to ensure the day to day running of the band is maintained.

Organisational Structure and Relationships

The bands officials consist of the Chairman, Vice-Chairman, Secretary & Treasurer who together with between five and nine appointed members serve as the Committee. The Committee members assist the Trustees with the management of the Charity.

The band is an active member of the Scottish Brass Band Association – SBBA (Charity No SCO 33163) and competes annually in both the Scottish regional Finals as well as supplementary contests run under the auspices of the SBBA.

Risk Management

The Trustees continue to keep these activities under review, particularly with regard to any major risks with Health & Safety and protection of vulnerable people. The band has an appointed person for Health and Safety and has registered with CRBS to assist in the protection of band members.

OBJECTS, AIMS, OBJECTIVES AND PRINCIPAL ACTIVITIES

The object & aims of the band shall be to advance the education of the public in the art of brass banding by performing at a variety of concerts & events. The band aims to educate all members and provide free of charge all instruments required.

Objectives and Principal activity for the Year

Our main objectives were to keep the band moving forward, attend contests and concerts throughout the year to help build a stronger band and maintain involvement within the community.

The band have managed to compete, perform and stay involved within the community – Building a stronger band where hopefully we can build upon – the band played at the Festival of Remembrance Concert on the 8th Nov 2024 at Levenmouth Academy, the local Remembrance service on the 10th November, Scottish Challenge Contest on the 16th Nov where the band competed and placed 1st in the 4th section for the second year running, various church services and a Night of Scottish Brass concert on the 30th of November at Wellesley Parish Church leading us up to the Christmas break.

After the Christmas holidays it was full preparation towards the Scottish Championships where we will compete back in the third section after promotion last year. We also managed to throw in a St Andrews themed concert on the 18th of January. The Band held a workshop for preparation on Scottish Championships test piece on the 12th of February. The band then competed in the Scottish Championships on the 8th of March and placed 9th, meaning we would need a very good result next year to stay in the third section.

On the 26th of April we competed in the Fife Festival which was a fun entertainment contest, In May some of us went to the Europeans to support the cooperation band who were competing in the European Brass Band Championships in Norway, tea parties in Letham Glen and our concert at the Gathering place which is always popular – and where James Cameron was presented with his life medal.

Over the summer we performed at ST Andrews band stand which we try and do every year, Buckhaven Gala, Abbotsford Care Home and Methilhill Church.

We also manage to do a fair bit of work in the band hall to reorganise and decorate – it really did make a huge difference.

We held an open day which led to the resurrection of our learner band now the Buckhaven Brass Collective. This will hopefully continue to thrive and develop over the coming years and hopefully inspire more interest from younger players.

Our joint concert with the co which has become a bit of a tradition now was very successful at the end of August.

A run up to the Fife contest in September seen the band challenge ourselves with the test piece Ex Tera Lucem and again although the result wasn't what we would have like – we did enjoy the challenge.

We helped celebrate 100yrs of Wellesley Parish Church in October which we have supported well over the years.

we have continued our online chat group for the band which also allows us to communicate band events and social gatherings. Executive Committee members continue to meet via zoom and meet in person to discuss upcoming events and running of the band.

Financial Review and Performance for the Year

This year we have a Deficit of £3,750 compared to last year's Deficit of £12,551.

Although we did not have the expenditure of last years trip to the Nationals we still have a deficit and we will need to think about how to fill this loss in the coming years as we cannot continue to run at a loss - review of the band Subs will need to be made as this has remained the same for a few years and costs are always increasing.

Insurance still remains a high cost at £1,505 along with Conductors fees of £3,205, SBBA fees were up to £1,046, energy costs and usage have remained similar as we use very little throughout the year.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, I do not express an audit opinion on the view given by the accounts.

Independent Examiners Statement
