Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science'

What the charity does: The objects of the Society are to advance education in Astronomy and Space Science, and to promote and encourage Amateur Astronomical Observation. In furtherance thereof, the Society shall seek to: hold regular public lectures. organise observation evenings, conduct public evening classes, co-operate with local Schools and other groups in studying Astronomical subjects. maintain the historic telescope in the Observatory at Stirling Highland Hotel, (formerly the High School of Stirling), and demonstrate it to the public. Our programme of activities is updated regularly on our web site.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The objects of the Society shall be to advance education in Astronomy and Space Science, and to promote and encourage Amateur Astronomical Observation. In furtherance thereof, the Society shall seek to: hold regular public lectures. organise observation evenings. conduct public evening classes. co-operate with local Schools and other groups in studying Astronomical subjects. maintain the historic telescope in the Observatory at Stirling Highland Hotel, and demonstrate it to the public
