Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of the arts, heritage, culture or science'

What the charity does: To develop facilities that help the elderly, to develop the awareness among our members of modern electronic design/control systems to function combined with more traditional materials. To offer social opportunities for people to spend time together and to give our 140 members, in addition to the public, a location where they can safely and enjoyably spend their free time.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: To advance the education of the general public in Scotland in model engineering and related skills and activities.

Geography

- **Main operating location:** Perth And Kinross
