Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health', 'the advancement of citizenship or community development', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: We are an organisation that supports children and young people (up to their 18th birthday) who have sustained burn or scald injuries. Dealing with the effects of life long scars, we help them to realise that although their body image has been altered their hopes and dreams are just as achievable as any other child. The club has 2 main aims. 1) We aim to help in the rehabilitation process of children and young people and their families, offering emotional and peer support through their rehabilitation journey. 2) We also work to raise awareness of burn and scald injuries, to do all we can to prevent these from happening. Previous campaigns have included 'firework safety awareness' and 'dangers of hot water'.

Beneficiaries: 'Children or young people'

Objectives: (a) to relieve the needs of children, living in Scotland, who have suffered physical and or mental injuries due to burns or scalds and whose families have suffered as result of burns or scalds, particularly but not exclusively by the provision of recreation and leisure activities. Particular attention will be given to those with major disfigurement, disability or poor social circumstances who have less opportunity to develop through a normal childhood. (b) the advancement of education of the public relating to fire safety, home safety and burn/ scald first aid at schools, youth groups and/or local community events.

Geography

- **Main operating location:** Glasgow City
- **Geographical spread:** Operations cover all or most of Scotland
