Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of the arts, heritage, culture or science'

What the charity does: To foster a knowledge and understanding of the geology of Fife. To this end a series of leaflets about various sites have been produced. The charity also maintains its geological wall (a small structure containing significant Fife rocks) and the plants in a Jurassic Garden.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: to advance the education of the public in the geological heritage of East Fife by using interpretive materials to increase public awareness of the science of geology.

Geography

- **Main operating location:** Fife
- **Geographical spread:** More than one local authority area in Scotland
