Activities

Activities: 'It makes grants, donations or gifts to organisations', 'It carries out activities or services itself'

Purposes: 'the prevention or relief of poverty', 'the advancement of education', 'the advancement of health', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: Drumchapel L.I.F.E is a local charity focused on improving health and wellbeing in Drumchapel and nearby areas. We also manage the Phoenix Centre, a busy community space. Our mission is to support people facing poor health and social challenges by offering practical help, education—especially around health—and by running projects that make a real difference in people's lives. We aim to give everyone in our community the chance to live healthier, more connected lives. We run several small but impactful projects, including: Elevator – supporting personal growth and development The Green Gym – promoting physical and mental wellbeing through outdoor activity Chance2Change – empowering voices from underserved communities The Phoenix Centre is well-used by the community, hosting fitness classes, clubs like karate and yoga, and regular children's parties and events.

Beneficiaries: 'Children or young people', 'Older People', 'People with disabilities or health problems', 'No specific group, or for the benefit of the community', 'Other charities or voluntary bodies'

Objectives: The company's objects are: a. To relieve ill-health and social disadvantage among the residents of the West Glasgow strategic Planning Area (Drumchapel, Anniesland, Garscadden, Scotstounhill, Partick West, Hillhead, Anderston/City) ("the Operating Area"). b. To advance education, and in particular health education, among the residents of the Operating Area. c. To promote, establish, operate and/or support other similar schemes and projects connected with health or health-related issues, which are in furtherance of the

charitable purposes, and which are for the benefit of the community within the Operating Area
