Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health'

What the charity does: Getting Better Together Ltd. (GBT) exists to improve health, wellbeing, and life opportunities for people in Springhill, Shotts, and the wider community. We do this by providing accessible, community-led services across all ages, early years, youth work, adult support, volunteering, carers support, and wellbeing activities. Our programmes reduce isolation, build confidence, and help people connect with others. GBT works collaboratively with partners, offers targeted and universal supports, and empowers local people to get involved, volunteer, learn new skills, and shape services. Our community hub, outdoor spaces, and outreach work ensure that everyone, especially those hardest to reach, has a welcoming place to belong, be active, and thrive.

Beneficiaries: 'No specific group, or for the benefit of the community'

Objectives: The objects of Getting Better Together Ltd shall be to advance the education and promote health of the local community through new service provision, the increased co-ordination and integration of services and the creation of more accessible two way information flows between service providers and service users. In furtherance thereof, but not otherwise, Getting Better Together Ltd will seek to: Encourage the full and inclusive involvement of local people through the development of a community led management structure. Develop new services and activities to meet the specific needs and fill gaps in the existing service provision. Identify and promote opportunities to further co-ordinate and integrate existing services line with local needs. Develop improved community information on health related services and Improve links to other services/issues that impact on health including, but not limited to, leisure, housing, employment and environment. To preserve and protect the physical and mental health of the people of Greater Shotts and

North Lanarkshire to assist in the relief of ill health and the provision of health education for such residents. To promote training in skills of all kinds, particularly such skills as will assist residents of the Greater Shotts and North Lanarkshire in obtaining paid employment or will promote personal development To promote, establish, operate and/or support other similar schemes and initiatives of a charitable nature for the benefit of the community within the Greater Shotts and North Lanarkshire.
