Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of the arts, heritage, culture or science'

What the charity does: To promote the teaching and playing of the bagpipes in the local area. We do this by providing tutors and facilities to learn Scottish piping and drumming. Unfortunately as has been the case for over 10 years no-one has been interested in taking over the band , this situation has only worsened since the pandemic, as such it is our intention to wind up the band and dispose of its assets in the next 2 years or so.

Beneficiaries: 'Children or young people'

Objectives: The objects of the band shall be to advance the education of the public in the art of Bagpipe Playing and Drumming by the presentation of public performances and other related activities
