Constitutional form date: 30th November 2002

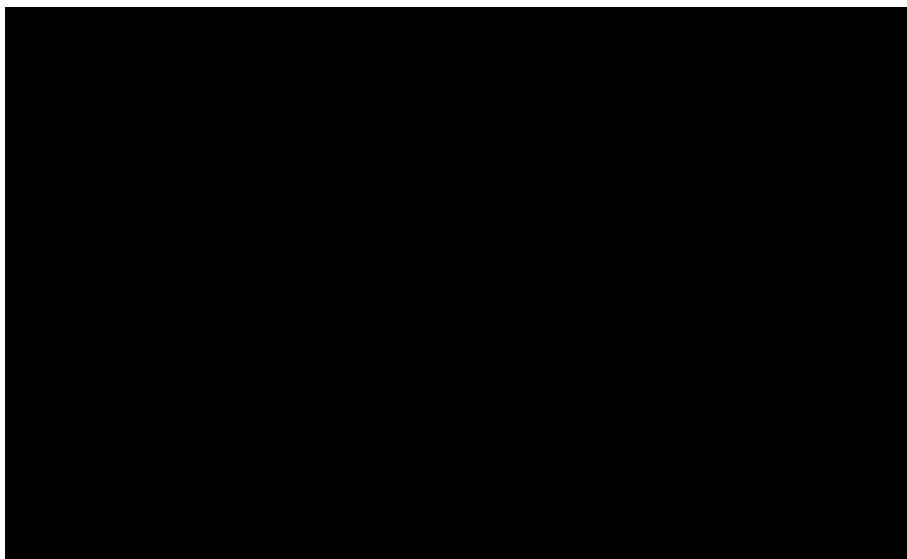

Charitable Objectives

The objectives of the church are:

- to advance the Christian Faith in accordance with the statement of Faith of the Assemblies of God, as approved by the General Council of the Assemblies of God, from time to time and in such parts of the United Kingdom, or the world as the Assembly Council may, from time to time think fit.

Trustees and Office Bearers

The church is governed by a Leadership team known as the Assembly Council comprising the church’s Pastor and Elders who are also the church’s Trustees. The Trustees, Office Bearers and staff who served voluntarily during the year and to the date of this report were as follows:-

Under the terms of the Constitution, the Assembly Council (i.e. the Management Trustees) have the power to appoint members of the church as **Holding Trustees** for the purpose of holding land and buildings owned by the church. The Holding Trustees are  .

Appointment of Trustees

New Trustees are nominated for appointment by the existing Trustees. There is no fixed term for Trusteeship. Prior to their appointment, new Trustees would have served the church for some time in various roles and would be familiar with the church's values, its aims and objectives as well as its day-to-day operations. As part of their induction programme, new Trustees are required to understand their statutory responsibilities.

Achievements and Performance

Having concluded the purchase of a property in Keith Street Hamilton we have now finished the refurbishment project and this building is now our permanent church address. It is located in the centre of Hamilton and so affords us with lots of opportunities to develop a presence right at the heart of our community.

We held our first service in our new church building in Keith Street Hamilton on 17 December 2023! This building was purchased in February 2019 and work was carried out in two initial phases: late March 2020 to 30 June 2020 and 8 October 2020 to February 2021.

Then there was a pause to allow further fundraising and working with [REDACTED], a Hamilton based architect with extensive experience of working on church building projects we commenced discussions with Go-Wright Ltd and work commenced on 5 June 2023. This was a monumental task – and only made possible by the generosity and sacrificial giving of so many of our members and friends of Harvest Church.

As well as all the hard work since last year's report in getting the building open we have seen encouraging numerical growth in the church over the past 12 months. Here is an insight to Harvest by Numbers; Sunday attendance has continued to grow. The average Sunday attendance January to March 2024 was 171, up from 116 the same period last year. That is an increase of 48%.

We have added 100 adults to our database. In addition, we have added

1. 22 new adult members (+21%) +removed 21 (long time inactive) (-20%)
2. 34 under 18s registered in our ChurchSuite database (+36%)
3. and we now have 117 adults in life groups - a massive 52% increase in a year.
4. We have seen 8 people baptised this year and the premises witnessed our first wedding.

In August 2023 we said goodbye to [REDACTED] from our staff team. It is very appropriate that we recognise the very significant contribution that has been made by them over many years.

Other significant highlights events and developments of note in the year include the following;

- Establishing groups responsible for overseeing crucial aspects of the life of the church
- Running a successful ALPHA Courses for both Adults and Youth
- Helping those in our community suffering and struggling through addictions poverty and other social issues.

Financial review

Overview

The financial year ending 31 March 2025 has been a period of continued growth and stability for Harvest Christian Fellowship, following the successful opening and operational use of our permanent church premises in Keith Street, Hamilton. With encouraging growth in attendance and engagement, the financial stewardship of the church has remained robust, aligned with our mission and strategic goals.

Income

Total income for the year amounted to £207,183.76, including:

- Offerings: £138,911.64
- Gift Aid: £46,222.69
- Building Fund contributions: £95,463.95 (reported under "Other Income")
- Other income sources (e.g. bank interest, grants, counselling, etc.): £21,586.48

This marks a continuing trend of generosity from the congregation and external supporters, especially in designated gifts for capital development.

Expenditure

Total expenses for the year were £215,467.81, spanning across key areas of ministry and operations:

- Staff Costs: £102,573.14
- Keith Street property costs (maintenance, utilities, interest, etc.): £66,261.06
- Operational costs (including subscriptions, legal fees, and administration): £13,895.96
- Ministry-related expenses: £13,689.79 (covering Sunday services, youth, small groups, and community outreach)

A significant item within property-related expenditure was building work at Keith Street totalling £30,761.18, representing the church's investment in improving and maintaining the new premises.

Loan Interest

As part of our financial obligations, the church made interest payments on its existing loans:

- Triodos Loan Interest: £13,695.90
- Bounce Back Loan Interest: £1,262.01

Total Interest Paid: £14,957.91

These loans are secured against the church's assets and were crucial in enabling the acquisition and development of the Keith Street building.

Net Position

The net operating result for the year, excluding restricted income, showed a modest operating deficit of £8,284.05, offset by restricted income for the Building Fund. After accounting for all income,

including restricted funds, the church recorded a net income of £87,179.90, reflecting prudent financial management and effective allocation of resources.

Summary

The Trustees are satisfied that the church has maintained a sound financial footing throughout the year, with appropriate use of both general and restricted funds. The significant investment into the Keith Street building has positioned the church well for future ministry growth, while the responsible management of loans and expenditure ensures sustainability.

We continue to be grateful for the faithfulness and generosity of our congregation, and we remain committed to financial transparency, stewardship, and kingdom impact.

Reserves Policy

It is the policy of the church to maintain unrestricted funds, i.e. funds not committed or invested in fixed assets, at a level which equates to approximately three months' unrestricted expenditure. This allows sufficient funds to enable the ongoing work of the church to be maintained.

Grant Making Policy

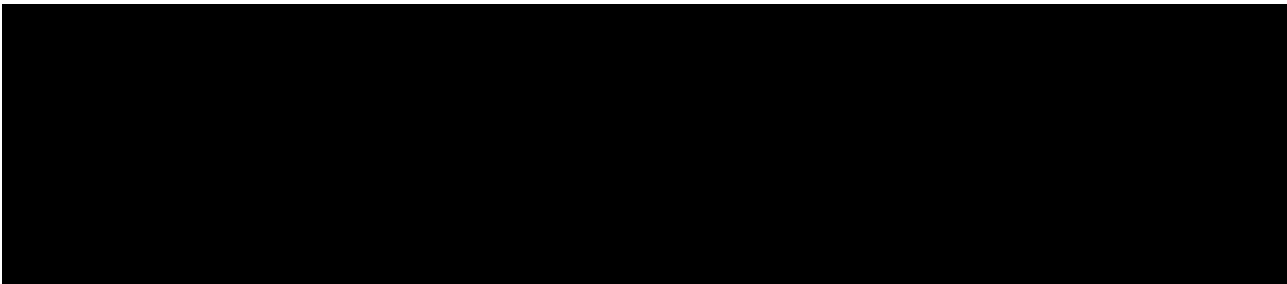

The church makes grants from its tithes and offerings to individuals and organisations that are generally known to the Trustees and the church. The beneficiaries are involved in activities or ministries compatible with the church's objectives.

Going Concern: As at the date of approval of this report, and the financial accounts, the Directors have assessed, in compliance with paragraph 25 of IAS 1 (International Accounting Standards), that the accounts of "Harvest Christian Fellowship" has been prepared on a "Going Concern" basis. The Trustees have no intention of liquidating the charity's assets or to cease operating.

Statement of Trustees' Responsibilities

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the charity's financial position and enable them to ensure that the Accounts comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 and the provisions of the charity's Constitution. They are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This Report was approved by the Trustees on 6th June 2025 and signed on their behalf by

Independent Examiner's Report to the Trustees of Harvest Christian Fellowship

I report on the Accounts of the charity for the year ended 31 March 2025 which are set out on pages 6 to 13.

Respective Responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

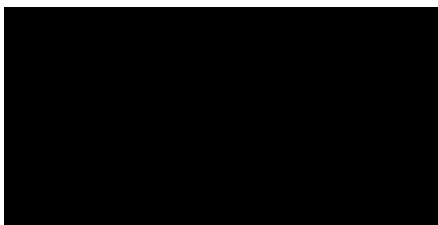

Independent Examiner's Statement

In the course of my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
 - to prepare Accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which in my opinion, attention should be drawn in order to enable a proper understanding of the Accounts to be reached.

1. Basis of Accounting

Basis of Preparation

The financial statements have been prepared on the accruals basis of accounting. This means that income and expenditure is recognised in the period to which they relate, rather than when cash is received or paid. The accruals basis provides a more accurate reflection of the church's financial performance and position, particularly in light of our income exceeding the £250,000 threshold which requires charities in Scotland to adopt this approach.

The accounts have been prepared under the historical cost convention unless otherwise stated in the accounting policies, and in compliance with all applicable legal and regulatory reporting requirements relevant to charitable companies operating in Scotland.

The Trustees have assessed that the charity continues to operate as a going concern, and there are no material uncertainties regarding its ability to continue in operational existence for the foreseeable future.
