Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of public participation in sport'

What the charity does: The objective of the charity is to deliver a state of the art sports facility in the Culter area, for the benefit of local youth and adult amateur sports teams within the community. The relocation of Culter Youth Football Club and the creation of new purpose-built facilities will help to meet the growing demand for facilities by the club and the ever-increasing demand for 'all-weather' surfaces in the City and will improve accessibility to sport. We manage and look after our training facility and are actively seeking for new location facilities.

Beneficiaries: 'Children or young people'

Objectives: To promote the benefit of the inhabitants of Culter and its environs without distinction of sex, sexuality, political, religious or other opinions by associating the local statutory authorities, voluntary organisations and inhabitants in a common effort to advance education and provide facilities, or assist in the provision of facilities, in the interest of social welfare for recreation and other leisuretime occupation so that their conditions of life may be improved.
