Activities

During the year under review the Trustees gave consideration to further development of the field at Knockbreck gifted to us by charitable donation and this continues. Three plots have been identified for sale and planning permission has been approved, however a condition of approval was that any future development should come off Knockbreck Road which will be difficult. These plots are presently being marketed for sale. During the year the Trust has worked with Tain Bike Track to help in their project to renovate the Bike Track in the town and the second stage of this is almost complete. A grant of £15,000 was awarded by ourselves to assist with the project. We have assisted Tain Gala during the year and also gave technical assistance to the Picture House Project. We are presently involved in projects to form a countryside path from Tain to Glenmorangie Distillery, to create a play park in the Burgage area of Tain and further assistance to Tain Gala for equipment they require. The Trust works with and assists local voluntary groups.

Asset

During the year to 31.3.2018 Tain Initiative Group was gifted by charitable donation 5.62 acres of land at Knockbreck Road Tain. This land has not been valued and is included in the accounts at a nominal value of £1. Two house plots were identified and sold, a further three plots are being marketed for sale and The Group continues to consider how the remainder of the land can be utilised for the benefit of the Town.
