**Governing Document**

The Association is a charitable unincorporated Association, and the purposes and administration arrangements are set out in our constitution document.

**Charitable Purposes**

Our purposes are as described in our constitution. They are mainly to make the public aware of the culture, environment and heritage of the town of Coldstream by raising awareness of the town.

**Activities**

During the year we carry out summer and winter planting of plants throughout the town, involving children from the local primary school. We carry out routine watering and care of the plants. At Christmas we put up Christmas lights and trees along the High Street and Market Square. Every three months we undertake the compilation and printing of a community newspaper which is distributed to all households in Coldstream and is available in local shops for people outside the town. We raise funds for these activities by holding coffee mornings, placing collecting tins in shops along the High Street, stalls at the local Charity Fair, applying for appropriate grants and from donations.

**Trustees Remuneration and Expenses**

The trustees did not receive any remuneration or expenses during the year.

**Reserves**

Any reserves will be used to improve the floral displays with the purchase of new planters as necessary plus the purchase of new or replacement Christmas lights as needed, and equipment and updating software required for publishing Coldstream Community News

Approved by the Trustees and signed on their behalf.
