Objectives and Activities

Charitable purposes

To advance the education of the public in Japanese culture and heritage by the organising and operating of a Japanese festival (matsuri) to be held in Glasgow (or elsewhere as the membership may deem appropriate) with a view to promoting wide community involvement and the promotion of awareness of different cultures.

Activities

The charity organises two Japanese festivals (matsuri) a year in Glasgow: Hina Matsuri in February/March and Japanese Matsuri in June. These festivals are admission free and open to all, regardless of their backgrounds. Prior to the festivals, JMG runs Taiko Japanese drumming workshops, and all the participants are encouraged to perform Taiko at the festivals, regardless of their skills. In addition, JMG visits primary and secondary schools in Glasgow and beyond to run workshops on Japanese culture and heritage.
