Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: The charitable company operates a day care centre which provides three key elements to support the service users attending the centre: 1. Accessible transport to and from their place of residence to the Day Centre, as well as transport for day trips and some evening social events. 2. Nutritious balanced meals created to meet the service users' dietary requirements. Freshly prepared and cooked in the Day Centre by our kitchen team. 3. A full range of person-centred activities held in the Day Centre as well as outings and evening social events. In addition to this, the charitable company provides an Outreach service. This service was developed to provide an alternative for people who have lost their confidence in engaging with others. This is a small bespoke service which provides visits at home and out in the community on a 1:1 basis.

Beneficiaries: 'Older People', 'People with disabilities or health problems'

Objectives: To promote the welfare of older people who are in need, arising from such factors as loneliness, age or disability in the Mid Craigie and Linlathen areas of Dundee and in other areas of Dundee where there is a similar need.
