## Activities

---

**Activities:** 'It carries out activities or services itself'

**Purposes:** 'the advancement of education', 'the advancement of environmental protection or improvement'

**What the charity does:** We are an independent charity that works to support a vibrant and sustainable local economy while respecting, protecting and celebrating the distinctive character, heritage and natural features of our marine and coastal area. We do this by working with people on both sides of the Solway Firth and further afield on a wide range of projects. We also contribute to development of policies for management of the coast and sea. We aim to engage with as many people as possible to help ensure that local views shape the future of the area.

**Beneficiaries:** 'No specific group, or for the benefit of the community'

**Objectives:** The Objects of the Partnership are: (a) to promote and advance education of the public about working and living sustainably in the Solway Firth area of Southern Scotland and North West England. and (b) to preserve and protect, for the public benefit, the environment covering the land, coastal zones and waters of the Solway Firth area by seeking to guide, encourage and enhance the integration of environmental, social and economic policies including the sustainable management of pollution, waste, land reclamation, provision of public amenities and other related activities. (c) to advance the conservation and preservation of the Solway Firth and to support marine development and planning for the protection of the wider seas. and to do so either independently and/or in association with Local Authorities, environment agencies, public bodies, conservation bodies, voluntary organisations, local communities and others (hereinafter referred to as "the Objects")

## Geography

---
