Activities: 'It makes grants, donations or gifts to organisations', 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development', 'the advancement of the arts, heritage, culture or science'

What the charity does: It is our aim to reduce some of the social isolation and exclusion experienced by young adults (aged 16–30) with additional support needs in East Lothian by providing a consistent, supportive weekly youth club and unique opportunities for supported independence, such as our annual activity weekend. As a parent-led organisation, our core objective is to champion inclusion and self-worth. We provide a safe environment where members can build genuine friendships and access the kind of enriching social experiences—like a holiday with mates—that other young people take for granted, but which are otherwise extremely expensive, often rely on unknown staff, and lack a natural peer group. We also provide two volunteering opportunities for people with support needs.

Beneficiaries: 'Children or young people', 'People with disabilities or health problems'

Objectives: The objectives of the Club shall be to promote and be of benefit to young persons in East Lothian with additional support needs, and without distinction to/of sex, sexuality, political, religious or other opinions. by associating with the local statutor

PENNYPIT SPECIAL NEEDS YOUTH CLUB

Trustees' report

For the year ended 31 March 2025

The trustees present their report and receipts and payments accounts of the charity for the year ended 31 March 2025.

Governing document

The charity is an unincorporated body regulated by written constitutions and is an approved charity.

Charitable purposes, objectives and activities

The purpose of the Pennypit Special Needs Youth Club (the Club) is to provide a social, recreational, and educational meeting place for young adults with special needs. The objectives of the club are to promote, and be of benefit to, young adults in East Lothian with additional support needs in an effort to advance education and provide facilities for recreation so that their conditions of life may be improved. The activities of the charity are to operate a twice weekly youth club and to undertake a residential trip.

Recruitment and appointment of Trustees

All of the charity's trustees are appointed or reappointed by the members at our annual general meeting or are co-opted.

Trustee remuneration and expenses

The trustees did not receive any remuneration or expenses during the year (2024: Nil).

Review of the year

We have continued to provide a twice weekly youth club and have our members enjoyed an annual activity weekend to Kielder. The young people choose their own activities and write a termly schedule.

Having the ability to be able to see their friends on a weekly basis makes a huge difference to our members. Social isolation and exclusion can acutely affect this vulnerable group in a negative way, resulting in poor mental and physical health. The ability to take part in social activities in a safe and inclusive environment and interact with others is seen a lifeline for many of our members and their carers.

The young people are encouraged to be involved in their club and have elected representatives who attend the committee meetings to share their ideas, ask questions and give a feedback report on their club. The young people are currently involved in writing a Members' Report to present at the AGM.

Results for the year

In the year to 31 March 2025 the charity had receipts of £54,941 (2024: £11,724) and payments of £37,749 (2024: £24,170), giving net receipts of £17,192 (2024: net payments of £12,446). Total funds under management at 31 March 2025 were £24,969 (2024: £7,777) of which £12,683 are restricted to use (2024: £5,567).

Reserves

General reserves are used to fund future planned necessary expenditure, for example replacement of equipment, operation of youth club and any future unfunded liabilities necessary to the charity carrying out its core activities. The trustees regard these reserves as an essential safeguard against potential future deficits, as 31 March 2025 general reserves stand at £11,286.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level of six months expenditure, which stands at approximately £11,500. The trustees consider that reserves held at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised.

Trustees have worked hard at slowly rebuilding our reserves after a challenging year. We were successful in securing several funding streams but are still continuing to support our Young People to contribute their ideas for future fundraising. They are currently planning a sponsored walk within the local community.

Any funds received for specific purposes with restrictions to their use are held separately as restricted funds, as at 31 March 2025 restricted funds stood at £12,183 for Residential funding and £500 for the purchase of computer equipment.

Major risks facing the charity

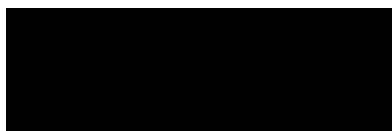

The trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks. The principal risks facing the charity are lack of funds. All reserves are regularly monitored by the Trustees to ensure sufficient funds are held to cover likely eventualities.

Plans for future periods

The charity intends to continue its charitable activities in order to achieve its stated aims and objectives. It will achieve this by ensuring the members have continued input into how the club is operated and the activities offered. The trustees will consider staff training and development to ensure the club continues to be run to a high standard. In addition, trustee recruitment and development remain a key priority.

We are busy planning our activity residential weekend away, using funding from The National Lottery Awards for All grant and are continuing to introduce new members to the club.

Independent Examiner's Report to the Trustees of Pennypit Special Needs Youth Club

I report on the accounts of the charity for the year ended 31 March 2025, which are set out on pages 5 and 6 and the related notes on pages 7 to 9.

Respective responsibilities of trustees and examiner

The charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006(as amended) ("the 2006 Regulations"). The charity's Trustees consider that the audit requirement of Regulation 10(1) (d) of the Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

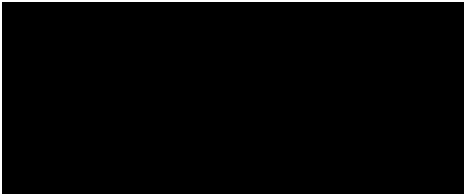

Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Regulations
 - to prepare accounts which accord with the accounting records and comply with Regulation 9 of the 2006 Accounts Regulationshave not been met, or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
