Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of education', 'the advancement of citizenship or community development'

What the charity does: We help all girls know they can do anything. Specifically Guides, irrespective of background, class or religion, aged between 10 and 14 are given opportunities to learn, participate, have adventures and have fun. We follow a programme which enables the girls to develop a wide range of skills and grow in confidence. Guides is a place where you can explore the things you love and do stuff you've never done before. Where else can you think up a new sport, make a new perfume, cook over a campfire, design an advertising campaign, have a mocktail party or raise money for a charity you believe in? At Guides, you can do all of this and loads more.

Beneficiaries: 'Children or young people'

Objectives: 'Promoting the instruction of girls of all classes in the principles of discipline, loyalty and good citizenship'
