Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health'

What the charity does: We work with local communities to encourage more healthy life style choices. We do this by delivering a variety of resources to groups and individuals who are impacted by a long term health condition. We do this through our team of volunteers across a range of premises in Forth Valley.

Beneficiaries: 'Older People', 'People with disabilities or health problems'

Objectives: The Objects of the Association shall be to provide a framework of active support and encouragement for adults and their families with any long term condition and those at risk of developing a long term condition and, to promote their current and future wellbeing.

Geography

- **Main operating location:** Falkirk
- **Geographical spread:** More than one local authority area in Scotland
