APOLOGIES:

Welcome

FM welcomed everyone to the meeting and thanked everyone for attending. AM gave an overview of committee role and responsibilities and legal requirements for trustees and committee meetings.

Approval of minutes of previous AGM

The minutes were approved by AM and this action was seconded by MM.

Chairperson Report.

The numbers across the groups have remained consistent. It has been a very busy year across all sections with our first group camp being held in 7 years.

Treasurers Report April 1st 2024 to March 31st 2025

Financially this has been another strong year for the Scout Group, maintaining a healthy bank balance whilst keeping subscription fees constant in a bid to keep costs down for families.

Income

Income for the year was consistent with previous at £17.7K. Gift aid receipts remained strong (£2.9K). There remains a healthy member roll so this level of income should be sustainable.

Our main course of funding continues to be the subscription fees which we have held at the same for the level 12 month period, these allow us to continue functioning as a Group even if all other sources of income cease. The last increase of subs levels was in January 2020.

This subscription fee pays for capitation fees, electricity, weekly activities, hall insurance and maintenance.

The group now receives bank interest on surplus funds at a rate of £70 per month.

We must be very mindful of the current financial climate and we need to take every opportunity to support all of our members in paying for subs, camps, uniforms and events.

Expenditure

Electricity costs have moved onto a new fixed tariff and were slightly lower year on year.

Camp costs were higher over the year mainly due to Fordell Firs costs which are reflected in the income level.

There was limited big ticket expenditure for the year, venue maintenance down by £1K

Overall Position

Cash funds at year end was up by £4K year on year - funds stand at a healthy £24,140.88. We must maintain a minimum contingency fund of £2,500 as governed by OSCR so we are well in line.

Accounts are now fully automated and held within OSM – this makes the accounting role much more professional, transparent and for audit purposes much simpler.

Projects

No significant capital expenditure is planned for the upcoming financial year.

Group camp will be part funded by group funds which will cost in the region of £1,000.

██████████ kindly audited the accounts for us this year on a voluntary basis which is much appreciated.

Report presented by ██████████ Treasurer
