Activities

Activities: 'It makes grants, donations or gifts to organisations','It carries out activities or services itself'

Purposes: 'the prevention or relief of poverty','the advancement of education','the advancement of health','the advancement of citizenship or community development','the promotion of equality and diversity'

What the charity does: Impact Funding Partners works with the third sector, public sector, private companies and individual donors to create social, environmental and economic impact. Our mission is to support the third sector, private businesses, public sector and individual donors to create a positive social, environmental and economic impact on communities by designing and managing impactful funding programmes, providing strategic advice and social impact and evaluation services. What we do and how we do it is shaped by our values, and our commitment to equality, diversity and human rights. We are proud that we have a highly skilled, dedicated team of staff and trustees that bring diverse experiences and expertise to our organisation. This makes us constructive, innovative and dynamic. We work with public agencies, companies and individual donors to develop, design and manage funds to meet their needs.

Beneficiaries: 'No specific group, or for the benefit of the community','Other charities or voluntary bodies'

Objectives: 4 The company's objects are: (i) to generate positive social change, in particular the advancement of education, the protection of health and the relief of poverty, by developing and managing innovative funds. (ii) the promotion of equality and diversity by managing funds and providing training to promote equality, good practice, and the welfare of those in the community from underrepresented groups. (iii) to advance citizenship and community development by providing organisational and developmental support to build the community engagement capacity of the third, public and private sectors. and (iv) to meet needs identified by local people to improve networks and support structures and to help support development within communities be they geographical or interest based.
