Purposes: 'the provision of recreational facilities, or the organisation of recreational activities, with the object of improving the conditions of life for the persons for whom the facilities or activities are primarily intended', 'the relief of those in need by reason of age, ill-health, disability, financial hardship or other disadvantage'

What the charity does: Our charity is set up to support parents/carers and young babies and toddlers up until the age of 3, of which they will venture to the world of nursery. We are set up to create a welcoming, safe environment for the kids to learn and play and develop the skills they need to move on to nursery. We are set up to give the parents and carers a place to chat, meet new people in the local area and support their kids.

Beneficiaries: 'Children or young people'

Objectives: The aims of the group are to promote the care and education of babies and children up to the age of three by providing an environment which advances their education and social development and encourages the involvement of parents and other appropriate persons in line with the aims of SPPA.
