Activities

Activities: 'It carries out activities or services itself'

Purposes: 'the advancement of health', 'the advancement of citizenship or community development'

What the charity does: For 20 years we have kept learning and using our human-rights based approach to support community-led creativity, action and influence. We supported people, groups and communities to build different connections and find ways to navigate challenges. We worked with people in new areas, developed new partnerships and networks across the UK, and worked with people turning good ideas into reality across Scotland.

Beneficiaries: 'Older People', 'People with disabilities or health problems'

Objectives: Advance education, relieve the needs and promote the welfare of people with disabilities, people with special needs and older people in necessitous circumstances, so that they can achieve their full potential and , in particular, to enable them to take part in groups where they can express their thoughts, feelings, preferences and ideas

Geography

- **Main operating location:** Glasgow City
